## **MERCED COLLEGE FOR KIDS REGISTRATION CONTINUING**

Summer is quickly approaching and it's not too late to register your child for the Merced College for Kids Program. The first session begins June 15th, with classes being offered in Aquatics and several sports camps, and individual classes such as Marine Biology, Astronomy for Kids, Robotics, Ceramics, and many more. The Summer Youth Theater Program offers five weeks of workshops, education, behind-the-scenes training, and experiences in theatrical arts, ending with a 1950's-themed musical performance.

All classes cost \$60 and are designed for students going into the 4th grade through 8th grade. Ages and costs for aquatics and sports camps vary. The Summer Youth Theater is geared toward ages 8-18 and costs \$275 with a discount for two or more in the family. Costs include notebook training, costumes, scripts, and video of the performance.
