

**Alumni Game 2008 • Men's Water Polo**

**2008 Alumni Game**

The Alumni came out in full force again and for the second year in a row took down the current Blue Devils 14-12. Among those leading the way for the alumni were Jeff Lewis with 4 goals, Scott Braun with 2, Dan McIlhatton with 2, Erik Baymiller with 2, Derek Price with 1 goal. Others who came out and played include:

Bob Nutter, Rodd Parker, Steve Eccles, Kevin Kennedy, Rob Strickland, Thomas Tobin, Kris Olstad, Lars Knutsen, Mike Davis, Ian Murdock, Scott Murray, Rick Martines and I know there is others that I am missing. Hope to continue this tradition for 2009.

I am currently trying to put together an email list of alumni so that we can get events like this out to everyone. Please email me and I will add you to the list.

Thanks again for supporting Blue Devil Aquatics.
