

## Employee Giving Campaign

### Together, We're Making a Difference!

By participating, Merced College employees demonstrate pride in and dedication to our college and our community. Our collective effort in increasing employee giving will demonstrate to our students and other donors that we believe in and support the mission of Merced College.

Our goal is participation. Every gift is important. The Merced College Employee Giving Campaign shows the power of each individual. 100% of your donation will go directly to support programs that benefit students and employees. Together we can make a significant impact.

The Employee Giving Campaign proves that together we can be a part of something bigger than ourselves.”

- Jill Cunningham, Associate Vice President of External Relations / Executive Director of Merced College Foundation
