California and the Central Valley lead the world and the nation in agricultural production. This scope and diversity of this broad industry is unparalleled anywhere else in the world.

As an Agriculture Major, students can explore this diverse industry through a variety of programs and courses. This diverse agricultural study provides students with entry level employment opportunities and skills along with the ability to transfer to a college or university to continue their studies in a wide variety of agricultural fields.

Accredited by Western Association of Schools and Colleges

This catalog is published for informational purposes. Although every effort has been made to ensure its accuracy, it is not to be considered an irrevocable contract between the student and Merced College. The college reserves the right to change provisions and descriptions at any time while taking precautions that such changes do not adversely affect enrolled students. Students are advised to consult the current Schedule of Classes and college counselors for supplementary information.

Thank you to Merced College staff and students for the photos used in this publication.
Hello. I am Benjamin Duran, President of Merced College. Thank you for looking into what Merced College can do for you. As we enter our 45th year of serving Merced County residents, we hope that you find in our college the path to your future. This catalogue is designed to make that path clearer and easier to follow. I wish you good luck and great success during your time with us here at Merced College.

Merced College is one of 109 community colleges serving California. Merced College boasts a highly qualified and professional faculty, a dedicated and skilled support staff and a diverse and well-prepared student body.

Our mission is:
- To deliver programs that provide the first two years of university level instruction for students wishing to transfer to the university of their choice
- To provide terminal vocational and technical training programs which prepare students to take their place in the high skill workplace of the new millennium
- To provide lifelong learning and cultural enrichment opportunities for the community

The dedication to this mission has contributed to a positive academic climate. We hope you will consider Merced College as you prepare to take that next step in life, whatever it may be.

Benjamin Duran
President, Ed.D.

**THE BEGINNINGS OF THE COLLEGE DISTRICT**

Merced College is a California Public Community College operated by the Merced Community College District, which was formed by a vote of the people of the Le Grand and Merced Union High School Districts on February 27, 1962. The Merced Community College District became effective for all purposes on July 1, 1963. The District, which comprised the eastern half of Merced County at that time, consisted of the areas served by these two high school districts. The Governing Board consisted of five members elected at large.

In later years the Governing Board was expanded to include two additional trustees; one to specifically represent the Dos Palos/Los Banos area and one to represent the Chowchilla area. Elections were also changed from “at large” elections to elections within each of the seven trustee areas of the District. Thus, the Governing Board now numbers seven trustees, each elected within a specific area of the District.

**PHILOSOPHY**

A democratic society functions best when its members are educated and active participants. To encourage this participation, Merced College provides educational opportunity for all who qualify and can benefit. This education involves having a respect for, and awareness of, all cultures, as well as the dignity and worth of all individuals.

Merced College is dedicated to the pursuit of excellence. The leadership and educational services provided by the College reflect and enhance the cultural, economic, and social life of the community and respond to its changing needs and interests. Recognizing that learning is a life-long process, the College provides preparation for a complex and changing society while maintaining high academic standards. The College also fosters individual learning and critical thinking to enhance awareness of the inter-relationship and inter-dependence of all persons.

**MISSION**

Students are our focus and we are known by their success.

**VISION STATEMENT**

Students are our focus at Merced College. We set high standards to encourage students to reach their highest potential in a supportive environment. Diversity is a strength of our institution. Merced College is a leader in instruction and cultural activities. We value and respect all members of our community. We are known by the success of our students.

**CORE VALUES AND BELIEFS**

- Students –past, present, and future– are the focus of Merced College.
- Fostering diversity is a strength of the institution.
- Merced College establishes high standards and provides a challenging education to encourage students to reach their highest potential.
- Merced College respects and values all members of its community.
- Merced College serves the community by responding to cultural, educational, economic development, and technological needs.
- Merced College provides a supportive and fulfilling environment.
**Matriculation**

Educational success is the College's commitment to each student. Merced College strives to make students aware of our varied educational programs. The College provides many services to ensure success.

All students who enroll in credit courses “matriculate.” Matriculation is a process that brings Merced College and each student into an agreement for the purpose of realizing the student's educational objectives.

Within the State Matriculation Plan, Merced College provides:
- An admissions process;
- An assessment of basic educational skills and career goals;
- Pre-enrollment counseling/advising and course selection;
- An orientation to college programs, services, and procedures;
- A suitable curriculum or program of courses;
- Quality instruction;
- Continuous follow-up on student progress with referral to support services when needed.

As part of the Matriculation Plan, students agree to:
- Express a broad educational intent at the time of admission;
- Declare a specific educational objective within a reasonable period of enrollment;
- Complete the assessment process;
- Confer with counselors for registration approval and discussion of educational and vocational choices;
- Meet with a counselor to develop an educational plan once 15 units of course work have been completed;
- Attend classes and complete assigned course work;
- Seek out support services as needed;
- Complete courses and maintain progress toward an educational goal.

**Accreditation**

Merced College is fully accredited by the Western Association of Schools and Colleges, and is approved by the State Department of Education to train veterans under provisions of the G.I. Bill of Rights, and by the United States Immigration Service. The College offers a lower division program consisting of courses paralleling those of four-year colleges and universities, the credits for which are transferable to all other accredited colleges and universities.

**Statement of Informed Consent**

Research, including assessment and evaluation of the teaching and learning process, will be conducted at Merced College in established or commonly accepted educational settings and will involve normal educational practices.

Information gathered related to student knowledge, skills, attitudes, and behaviors will be kept anonymous and/or confidential, and participation exposes students to no or minimal risk of harm. By enrolling and attending Merced College courses, students have volunteered as subjects, have been fully informed, and give their consent to participate in education-based research. If the research parameters change, students will be fully informed of changes. The Family Educational Rights and Privacy Act of 1974 (FERPA) is a federal law regarding the privacy of student records and the obligations of the institution, primarily in the areas of release of the records and the access provided to those records. Students are protected under both FERPA law and the Human Subjects Review process.

**Merced College Foundation**

The Merced College Foundation is a non-profit organization which was formed in November 1973. The mission of the Foundation is to provide support to Merced College by administering and awarding scholarships and loans to students; accepting and acquiring gifts, bequests, endowments, and real and personal property as sources of income for the Foundation; and serving as the organization through which special projects desired by the College can be developed and administered. Call for more information at 381-6470.

**The Merced Campus**

The Merced Campus is located one mile north of Olive Avenue in Merced, on the east side of M Street. It originally consisted of 110 acres presented as a gift to the College by the C-H-M and the Yosemite Land & Cattle Companies through the efforts of Merced City officials. Additional purchases of adjacent land increased the size of the present campus to 269 acres.

Classes began for students September 10, 1963, at a temporary campus at the Merced County Fairgrounds. The College began classes at the permanent campus in the summer of 1966 and moved completely to the new campus in spring of 1967. Dedication ceremonies for the new campus were held on April 23, 1967.

The Administration Building, the Science Building, and a temporary library facility were the first main buildings built. The Student Union was completed in November 1967, and since that time, facilities added include a gymnasium, an automotive shop, agriculture facilities, and technical labs for drafting, engineering, and vocational nursing. The Lesher Library and the Merced College Theater were completed for use in the fall of 1972.

Over the next 30 years, many facilities were completed or modified to meet current needs. The Merced College Child Development Center was completed in spring of 2002, expanding the outer perimeter of the College’s educational facilities northward; eastward expansion is also expected within the next few years.

In 2002, voters passed a bond measure for the Merced Campus (Measure H) of 53.5 million dollars. The following projects have been completed: the north loop road, a campus-wide energy retrofit, the Learning Resources Center, the Science Building remodel, the Business Resource Center, and the Lesher Building remodel. Future projects include the Allied Health Complex, Agriculture and Industrial Technology Complex, Vocational Building remodel project, plus other campus remodeling projects.
The Los Baños Campus of Merced College

The Los Baños Campus, an educational center forty miles from the Merced Campus, serves the people of Los Baños, Dos Palos, and the surrounding areas. It began as a full-service campus in September 1971 in rented facilities. In 1973 the Los Baños Unified School District’s voters approved joining the Merced Community College District. In 1978 the Dos Palos Joint Elementary School District’s voters approved moving from the West Hills Community College District to the Merced Community College District. The Los Baños Campus was formally approved by the California Community Colleges Chancellor’s Office as an educational center in 1979.

In 1982, thanks to a donation of ten acres by Richard Menezes, the campus moved to a site on Mercey Springs Road with modular buildings providing educational opportunities to the residents of the Westside of Merced County and also serving as a cultural and intellectual center for the area.

Thanks to a donation of 125 acres by Larry and Georgeann Anderson and to the passage of a local bond measure, construction of a new campus began in 2005. The new campus, located on Highway 152 on the western boundary of Los Baños, opened in 2007.

The campus offers a variety of programs for day and evening classes. It provides a wide range of academic and vocational classes, enabling a student to stay in Los Baños and take all the courses necessary for an associate degree and fulfill all the breadth requirements of four-year state colleges. Students may also complete several certificate programs.

Admission and registration procedures are the same as those for the Merced Campus. For further information, contact the Los Baños Campus at 22240 Highway 152, Los Baños, 93635; (209) 826-3495.

Off-Campus Programs

In addition to extensive day and evening programs at the Merced and Los Baños Campuses, Merced College schedules classes at other community sites in the district, including Chowchilla, Delhi, Dos Palos and Mariposa. Consult the current Schedule of Classes for class offerings and locations.

HECCC

The Higher Education Consortium of Central California (HECCC), established in 1981, is a partnership of two universities and four community colleges committed to the advancement of academic excellence in a distinctively diverse region. Through dynamic and evolving collaborations member institutions combine resources, share intellectual capital, facilitate innovative projects, promote professional development, and increase equitable access to higher education. The HECCC members are: California State University, Stanislaus; Merced College; San Joaquin Delta College; University of California, Merced; and the Yosemite Community College District, which includes Columbia College and Modesto Junior College.

Reciprocity:
General Education (GE) Breadth courses that have been used to satisfy a GE area at another HECCC institution for an associate degree will be accepted in lieu of, and satisfy, the specific area requirement at Merced College. This is known as the HECCC Reciprocity Agreement. Consult a counselor for more information.

In pursuit of the mission the consortium addresses the following goals and conditions:
- Flexibility to Meet the Changing Needs of Diverse Learners
- Information Access and Program Effectiveness
- Seamless Curriculum and Articulation
- Fiscal Efficiency of Programs
- Professional Growth
- Student Success

For more information see http://heccc.deltacollege.org.

CVHEC

Merced College is one of the member institutions of the Central Valley Higher Education Consortium (CVHEC). Members represent accredited, non-profit and private colleges and universities in the Central Valley from Bakersfield to Stockton. The goal of the consortium is to increase the number of students prepared for, enrolling in, and graduating from college.

Honors Program

The Merced College Honors Program is designed to meet the needs of the exceptional student by providing an enriched educational environment. Students will be challenged to reach their full intellectual potential, and to better prepare themselves for the academic demands of a four-year college or university.

Enrollment: Any new student with a 3.5 cumulative grade point average, or any continuing student with a 3.25 cumulative grade point average, may enroll in honors classes. Students who do not meet one of these enrollment requirements may also enroll in individual honors classes by successfully completing the challenge process. Inquiries regarding the Honors Program should be directed to Dr. Max Hallman, Honors Program Coordinator, at 384-6327 or at hallman.m@mccd.edu.

Curriculum: The core curriculum of the Honors Program will consist of several honors-designated courses that fulfill CSU and IGETC transfer requirements. At least two of these courses will be offered each semester. In some cases, the courses offered will be taught in back-to-back time slots, and the instructors will coordinate their lecture.

In addition to the core curriculum, a two-unit honors seminar will be offered each semester, and one-unit seminars in various disciplines will be offered periodically. These seminars are intended to give the student an opportunity to do advanced reading and research under the close supervision of a Merced College faculty member or members.

Honors Scholarships: If funds are available, McConnell Honors Scholarships will be offered to a number of students enrolled in honors classes. These scholarships carry a $1000 stipend and
they may be awarded for a maximum of two years. For more information on honors scholarships, contact Dr. Max Hallman at 384-6327 or the Financial Aid Office at 384-6031.

Alpha Gamma Sigma
Initial Membership: You can attain initial membership if you have completed at least 12 semester units of college work in a maximum of two semesters at any recognized institution of higher education with a minimum cumulative grade point average of 3.0. (No units acquired more than two years prior to application for initial membership will be used prohibitively.)

Temporary Membership: If you are a life member of the California Scholarship Federation who graduated with a minimum GPA of 3.5 at the high school level, you are invited to become a temporary member during your first semester at a community college. Upon the payment of fees, as a temporary member you will have all the privileges of membership except that of holding office.

Continuing Membership: An initial or temporary member can attain continuing membership status by achieving for the previous semester not less than a 3.0 GPA in courses recognized in college standing, or maintaining a cumulative GPA of 3.0 or better in courses of recognized college standing. (Continuing members will receive a one-semester grace period to recuperate a drop below 3.0 of GPA There will not be two consecutive grace periods.)

Permanent Membership: A member can apply for permanent membership by maintaining a cumulative GPA of 3.5 or higher and by being a member of AGS for at least one term. A continuing member who has maintained a cumulative GPA of 3.25 or higher and has been a member of AGS for at least two terms may also apply. All applicants must have completed a minimum of 60 semester units of recognized college courses, with a minimum of 30 units completed at a community college.

Retro-active membership is also an option. Ask an advisor for details.

For additional information, please visit the following website: http://www.mccd.edu/faculty/mcbride/alphagammasigma.htm.

Phi Theta Kappa
Phi Theta Kappa is the largest international honor society serving colleges offering associate degree programs. Founded in 1918, it currently has more than 1200 chapters in the United States and abroad. Its main purpose is to recognize and encourage academic excellence among associate degree students, but the four hallmarks to which Phi Theta Kappa is dedicated are scholarship, leadership, service, and fellowship.

Membership: To be accepted into Phi Theta Kappa, a student must:
- Have completed at least 12 units of course work at Merced College;
- Have a cumulative grade point average of 3.45 or higher;
- Complete and submit a membership profile form;
- Pay a one-time membership fee at the time of application.

Privileges: Members of Phi Theta Kappa are entitled to:
- Wear the Phi Theta Kappa stole at graduation;
- Have the Phi Theta Kappa seal affixed to their diploma;
- Attend regional and national conventions;
- Participate in the Summer Honors Institute;
- Apply for assorted Phi Theta Kappa scholarships (there are 39 million dollars in transfer scholarships available);
- Participate in projects of the local chapter.

The principal induction is held during the spring semester, but memberships will be accepted throughout the academic year; however, graduating students must apply at least 45 days prior to graduation.
General Information

Educational Opportunities
Merced College was founded in 1962 and offers students the opportunity to obtain an associate degree, or to transfer academic credits to California State universities or the University of California. The College offers vocational certificates in various programs. Merced College serves all students who live in the college district.

Admission to Merced College
Each candidate should have a high school diploma or equivalent, or should be a minimum of 18 years old, and should be able to take advantage of the instruction offered.

Registration at Merced College
The Office of Admissions and Records has the responsibility to admit and register all eligible students. You may obtain an application, complete it, and return it to any of our centers. Make an appointment to attend one of the orientations with our staff. Call one of the following numbers:
Merced.................................................................384-6000
Los Baños............................................................826-3495

Student Services
We have counseling services available to assist students in the selection of appropriate courses and provide other course-related assistance and referral. There is financial aid available for all eligible students. There are many grants/scholarship programs to help pay for your educational expenses. For more information, call the Financial Aid Office in Merced at 384-6031.

Información en español

Oportunidades Educativas
Merced College fue fundado en 1962 y ofrece a los estudiantes la oportunidad de obtener el título de Asociado en Artes (AA), de transferir créditos académicos a las Universidades de California (UC) o a las Universidades Estatales de California (CSU), y también a cualquier otra universidad. El “college” ofrece certificados vocacionales en varios programas. Merced College está dispuesto a servir a todos los habitantes que viven en el distrito del “college.”

Admisión a Merced College
Cada candidato debe tener un diploma de la escuela secundaria o el equivalente, o debe tener al menos 18 años de edad y ser
capaz de sacar provecho de la instrucción que se le ofrezca.

Inscripción a Merced College
La oficina de admisión (Admissions and Records) tiene la responsabilidad de admitir e inscribir a todos los estudiantes elegibles. Obtenga una solicitud, llénela, y devuélvala en cualquiera de nuestros centros. Haga una cita para asistir a una de nuestras orientaciones con nuestro personal. Llame a cualesquiera de los siguientes números:

Merced...............................................................384-6000
Los Baños............................................................826-3495

Servicios Estudiantiles
Tenemos servicios de consejeros disponibles para dar consejos y ayuda tocante a las clases necesarias para todo tipo de estudio. Hay ayuda financiera disponible para todos los estudiantes elegibles. Hay muchos programas y becas para pagar sus gastos educativos. Para más información, comuníquese con la oficina de ayuda financiera en Merced College y llame al 384-6031.

Yog xav tau xov ntxiv, nej hu txaj rau lub lookam pav nyijah hauv Merced tau ntawm 384-6031.

Academic Freedom
Since the vitality of a society is energized and sustained by ideas, and since the nature of a college involves the examination and discussion of those ideas, a policy of academic freedom protecting such free examination and expression historically has been deemed necessary.

To this end, the Merced Community college District is committed to free discussion and open inquiry. We recognize that the freedom to think, to read, to speak, and to question is necessary for the development of an informed citizenry.

This freedom shall be integral to the philosophy of this district and is guaranteed to students, faculty, administration, and staff. This freedom is both a right and a responsibility. As a right, it assures unimpeded research, study, and inquiry. It also assures the right to free expression in both public and private settings, including the right to disagree.

As a responsibility, it obligates members of the college community to present, discuss, and interpret ideas, knowledgeably, fairly, and objectively, with openness to the ideas of others, with the intention to stimulate independent thinking, and with a sensitivity to the special situations of students.

To ensure these principles of intellectual freedom, the administration and the Board of Trustees will demonstrate their support by actively working to foster this freedom.

Academic Honesty
Academic dishonesty is a violation of the Standards of Student Conduct. The College has the responsibility to ensure that grades assigned are indicative of the knowledge and skill level of each student and acts of academic dishonesty make it impossible to fulfill this responsibility.

Academic dishonesty includes, but is not limited to, cheating, plagiarism, collusion, and misuse of College computers and software. Disciplinary actions may include an oral reprimand; a failing grade on all or part of a particular paper, project, or examination; or the assignment of an “F” grade in cases where the dishonesty is more serious, premeditated, or a repeat offense. Serious or repeated offenses may also result in suspension from the College.

The Academic Honesty procedure was developed by the Merced College Faculty Senate and is administered by the Office of the Vice President of Student Personnel. Copies are available from the Office of Student Personnel.

Conduct
The Merced College Standards of Student Conduct, as approved by the Board of Trustees, is available in the Student Activities Office, and is published in the current Merced College Student Calendar/Handbook. Merced College students are expected to conduct themselves in an exemplary manner. Students are prohibited from using or possessing drugs or alcoholic beverages on the campus or at any school function held on or off campus.
Crime Awareness and Campus Security

In compliance with the Federal Campus Security Act, Merced College makes an annual and three-year security report available upon request. This report contains procedures for students and others to report criminal actions or other emergencies occurring on campus; the institution’s policy in responding to such reports; a statement of policy on security and access to campus facilities; and the enforcement authority of security personnel. The security report also contains policies which encourage accurate and prompt reporting of all crimes to campus security and appropriate police agencies; information on programs which inform students and employees about security procedures and practices and which encourage them to be responsible for their own security and that of others; a description of programs to inform students and employees about crime prevention; and statistics on the on-campus occurrence of reported criminal offenses. Also included in the report are policy statements on the possession, use, and sale of alcohol and of illegal drugs; information on enforcement of state underage drinking laws and federal and state drug laws; and descriptions of available drug or alcohol abuse programs. Copies of pertinent data, program information, and procedures are available from the Campus Security Office.

Dress
There is no dress code at Merced College, but it is expected that a student's dress will follow community standards.

Non-discrimination
It is the policy of the Merced Community College District to provide equal employment opportunity, equal educational opportunity, and equal employment opportunity in the provision of educational and other services to the public, including bidding and awarding contracts for construction, goods, and services. The District operates in compliance with the Civil Rights Act and its amendments, Title IX of the Education Amendments of 1972, the Americans with Disabilities Act of 1990, the Age Discrimination in Employment Act, the California Fair Employment and Housing Act, and all other applicable laws, regulations, and requirements related to the receipt of Federal and/or State funds. In so doing, the District does not discriminate, and prohibits harassment on the basis of race, color, religion, ancestry, national origin, sex, age, mental disability, physical disability, medical condition (cancer), marital status, or sexual orientation.

Persons who seek information and/or resolution of alleged acts of discrimination or harassment are directed to contact: Equal Employment Opportunity Officer Larry Johnson, 384-6108.

Open Enrollment Policy
It is District policy that, unless specifically exempted by statute, every course, course section, or class, the average daily attendance of which is to be reported for state aid, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the College and who meets such prerequisites as may be established pursuant to Chapter II, Title 5 of the California Code of Regulations.

Privacy of Records
All student records of Merced College are kept in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974. Students may request access to academic records which personally identify the student; the student may challenge the accuracy of the record or the appropriateness of its retention. Student consent is needed for the release of records covered by the Act to outside parties (i.e., other schools, prospective employers) except for those agencies entitled to access under the provisions of the Act (i.e., campus officials, federal educational and auditing officers). These provisions apply to records received and used after November 19, 1974.

Copies of the full text of the Family Educational Rights and Privacy Act of 1974 are available in the Office of Admissions and Records. Particular questions with respect to a student's prerogative under the Family Educational Rights and Privacy Act should be directed to the Registrar.

Sexual Harassment

Introduction
Education Code 212.6(b) requires the adoption of a policy statement setting forth the District's commitment to provide an educational and work environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment.

Purpose
It is the intent of the governing Board to deem as unacceptable any form of sexual harassment. Such conduct undermines the integrity of the classroom and/or the employment relationship or work/academic environment. Conduct constituting sexual harassment will not be tolerated in the District. It is understood that this Policy is not intended to infringe upon Academic Freedom except to the extent provided by law.

Description
The Policy applies to all aspects of employment and the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any college community activity.

All District employees who violate this policy may be subject to disciplinary action up to and including termination in accordance with applicable College Procedures, Education Code sections, and/or collective bargaining agreements. Students who violate this Policy may be subject to disciplinary measures up to and including expulsion in accordance with Board Policies and College Procedures. Non-employees, such as sales representatives or service vendors are also covered by this Policy and may be subject to corrective measures.

The District is concerned about the rights of the accused as well as the accuser and shall afford due process rights accordingly.

Definition
Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the work or educational setting under any of the following conditions:
1. Submission to the conduct is explicitly or implicitly made a term or condition of an individual’s employment, academic status, or progress;
2. Submission to, or rejection of, the conduct by the individual is used as a basis of employment or academic decisions affecting the individual;
3. The conduct has the purpose or effect of having a negative impact on the individual’s work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment; or
4. Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.

This definition encompasses two kinds of sexual harassment:
1. Quid pro quo” sexual harassment occurs when a person in a position of authority makes educational or employment benefits conditional upon an individual’s willingness to engage in or tolerate unwanted sexual conduct.
2. “Hostile environment” sexual harassment occurs when unwelcome conduct based on sex is sufficiently severe or pervasive so as to alter the conditions of an individual’s learning or work environment, unreasonably interferes with an individual’s academic work performance, or creates an intimidating, hostile, or abusive learning or work environment. The victim must subjectively perceive the environment as hostile, and the harassment must be such that a reasonable person of the same gender would perceive the environment as hostile.

Sexual harassment can consist of virtually any form or combination of verbal, physical, visual or environmental conduct. It need not be explicit, or even specified, verbal, physical, visual or environmental conduct. It need not be explicit, or even specified, threatening, and whether the conduct unreasonably interferes with the individual’s learning or work.

Environmental
Environmental sexual harassment is an academic or work environment that is permeated with sexually-oriented talk, innuendo, insults, or abuse not relevant to the subject matter of the class. A hostile environment can arise from an unwarranted focus on sexual topics or sexually suggestive statements in the classroom. An environment may be hostile if unwelcome sexual behavior is directed specifically at a student or if the individual merely witnesses unlawful harassment in his or her immediate surroundings.

Implementation
This policy assigns ultimate responsibility for implementing the sexual harassment policy to the District Equal Employment Opportunity Officer. He/she shall also be responsible for insuring that other policies and procedures developed related to sexual harassment support this policy.

Retaliation
It is unlawful to retaliate against an employee or student who makes a complaint of sexual harassment, who communicates with or contacts District Compliance Officer(s) or regulatory agencies, or who is a potential witness or participates in any manner in a sexual harassment investigation, hearing, or proceeding.

Smoking
Smoking is not allowed at Merced College within 20 feet of covered corridors, doors, elevators, stairways, stairwells, or open windows. Smoking is also not allowed in College-owned vehicles. Except as noted above, smoking is permitted in outdoor areas under the following conditions:
- All smoking materials are deposited into a receptacle designed for the disposal of smoking materials.
- A “No Smoking” sign is not posted in the area.
- A safety and/or fire threat is not created by smoking.
- Smoke will not enter any District or District rented or leased building.

Student Equity
Merced College complies with California Community College Board of Governor’s regulations related to equity and historically under-represented groups of students. Student equity activities include research and evaluation of programs for under-represented students; establishing goals and schedules for implementing these programs; and identifying funding sources for these services. Copies of pertinent reports are available upon request from the Vice President, Student Personnel.

Student Right-To-Know Disclosure
Student Right-to-Know Rates for fall 2002 cohort
Completion Rate: 31.1 %
Transfer Rate: 22 %

In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of our college district to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2002, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed above. These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, a complete is a student who attained a certificate or degree or became “transfer prepared” during a three year period, from Fall 2002 to Spring 2005. Students who have completed 56 transferable units with a GPA of 2.0 or better are considered “transfer-prepared.” Students who transferred to another post-secondary institution prior to attaining a degree, certificate, or becoming “transfer-prepared” during a five semester period, from Spring 2003 to Spring 2005, are transfer students.

More information about Student Right-To-Know Rates and how they should be interpreted can be found at the California Community College District Web site.
Title IX, 504 and the Americans with Disabilities Act

In compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the American with Disabilities Act, and the Age Discrimination Act of 1975, Merced College does not discriminate on the basis of race, color, national origin, sex, handicap, or age with respect to admission, participation, or employment in any of its educational programs and activities or in the provision of benefits and services to its students.

The College’s Title IX Coordinator is Janet Fujimoto, (209) 384-6102. Inquiries concerning the application of Title IX, which prohibits sex discrimination, may be referred to the Title IX Coordinator, or to the Office for Civil Rights, U.S. Department of Education, 221 Main Street, San Francisco, CA 95105, (800) 872-5327 (voice) or (415) 437-7786 (TDD).

The College’s Section 504 and ADA Coordinator is Robert Lenz, (209) 384-6192. For information concerning Section 504, which prohibits discrimination on the basis of handicap, you may contact the 504 Coordinator for the Office for Civil Rights at the above address.

The procedures for filing a complaint may be obtained from persons listed above.

Informacion Sobre Derechos Civiles 504 y el Titulo IX

En acuerdo con el Titulo VI del Acto de Derechos Civiles de 1964, el Titulo IX de las Reformas Educacionales de 1972, la Seccion 504 del Acto de Rehabilitación de 1973, el Acto de Americanos Incapacitados, y el Acto de Discriminación por Edad de 1975, Merced College no discrimina en base a raza, color, origen nacional, sexo, edad o incapacidad, para otorgar admisión, participación o empleo a cualquiera de sus programas o actividades educacionales o en la provisión de beneficios y servicios a sus estudiantes.

La coordinadora del Titulo IX del colegio es la Sra. Janet Fujimoto, teléfono (209) 384-6102. Preguntas tocante a la aplicación Titulo IX, que prohíbe la discriminación en base al sexo, pueden ser referidas a la coordinadora del Titulo IX o a la Oficina de Derechos Civiles, Departamento de Educación de los EE. UU., 221 Main Street, San Francisco, CA 94105, teléfonos (415) 556-4275 (voz) ó (415) 437-7786 (TDD).

El coordinador de la Sección 504 del ADA del colegio es el Sr. Robert Lenz, teléfonos (209) 384-6191. Para información referente a la sección 504, la cual prohíbe la discriminación basada en la incapacidad física, puede ponerse en contacto con el coordinador de la Sección 504 o con la Oficina de Derechos Civiles en San Francisco.
Who Can Be Admitted

If you possess a high school diploma or its equivalent, you are eligible for admission. If you are enrolled in kindergarten through grade 12 you may also be admitted as a special part- or full-time student with the written recommendation of the principal of the school you attend, with parental consent, and with the approval of a college administrator. (See Administrative Procedure #5011.)

Semester System and Units

Merced College classes follow the semester system, and the majority of classes cover a period of 18 weeks. As a student, you will earn the number of units specified in the catalog when you have successfully completed the course.

At Merced College, as in universities, a “unit” represents one hour per week for one semester of the student’s time in a lecture class, or three hours in laboratory or other exercise not requiring homework for preparation. A normal schedule of 15 college units presupposes that the average student will devote approximately 45 hours per week to college classes and to preparation.

Varsity sports, since they require no academic homework assignments, require 10 hours per week of activity for three units of credit. There are also certain courses that are regulated by outside agencies (primarily for skill certification in vocational areas) in which additional mandated hours are required but for which additional student units are not rewarded.

Application

If you are a new or former student at Merced College, you must complete an application in order to enroll in classes. When applying for admission, it is important that you bring your Social Security card with you. If you are a new student, you should bring a copy of your prior transcripts, whether from high school or from another college you attended.

Matriculation Services

State of California-mandated matriculation services include an orientation, assessment, admission, counseling and advisement, and follow-up and referral. Since the intent of the services is to increase your opportunity for success in your academic pursuits, you are expected to become a matriculated student unless you are exempted.

Matriculated Student Defined

You are a matriculated student if you have fewer than 15 units at Merced, have completed the matriculation orientation, assessment process, and have met with a counselor; or you have completed an Educational/Study Plan.

How to Become a Matriculated Student

To become a matriculated student, you must complete the following three matriculation services. To begin this process, call 384-6000 (Los Baños students, call 826-3495) or schedule an appointment at the college switchboard in the Administration Building lobby for

- A matriculation orientation
- Assessment; and
- Counseling.

(Please note any special needs/accommodations required when you schedule these services. It may take more than one week to provide the accommodation required.)

Following the matriculation orientation, you must:

- Submit the admissions application (which you will complete at the matriculation orientation) to the Admissions Office in the Administration Building, obtain registration materials, and receive your student ID card.
- Attend an assessment session (your student ID card is required). At the end of the assessment session you will receive a copy of the current Schedule of Classes.
- Bring your assessment information and high school and/or other college transcripts to your counseling appointment.
- Register for classes according to the appropriate group registration code posted at the registration counter in the Administration Building.
- Pay fees, according to the fee payment schedule in place at the time you register, at the Student Fees Office in the Student Union Building.

Exemptions

You are an exempted student if you have an AA/AS or higher degree or have completed CSU transfer-level English and math courses. You must provide documentation.

As an exempted student, you are not required to participate in any matriculation services. However, you may participate in any or all of these services if you choose to do so.

You have a right to refuse matriculation services. If you choose to do so, you must complete and sign a Matriculation Refusal Form available at the Information Counter and the Admissions Counter. If you refuse the matriculation process, you will not be able to register for classes until the last group registration code period.

The Assessment Process

If you are a new student at Merced College, or a student who has not completed CSU transfer-level English and math courses, you should participate in the assessment process. Assessment instruments are used as an advisory tool to assist you in identifying skill levels in English and math, and also to assist you in the selection of an educational program. Scores are advisory only. Counselors will discuss the scores and other relevant personal and educational information to help you determine course selection. Course placement will be based on the placement range and other multiple measures, such as recent academic history.

If you are pursuing an associate degree, you will have English and math requirements, and you should begin to fulfill these requirements as early in your college career as possible.

Goals of the assessment process are:

- To assist in determining which student and instructional services you may need to support your admission and ongoing enrollment in the College;
To assist in determining your level of proficiency in the areas of reading, writing, and mathematics so that you can be placed into course work that is appropriate to your goals;
And to assist in determining your career goals so that you will be provided realistic and purposeful educational planning, and, if you are undecided, the opportunity to participate in course work whose focus is career decision-making.

Except in rare circumstances when approved by a counselor, you are not allowed to retake assessment tests until your subsequent semester of enrollment. Once you have begun a math or English course, you may not retake the assessment tests.

Alternate assessment processes are provided to students with limited English proficiency or disabling conditions which may require accommodation. Contact the Matriculation Coordinator at 381-6553 for information.

Transfer Students
If you are transferring from another college, you must submit a transcript for evaluation. Transcripts submitted to Merced College become the property of Merced College and cannot be returned to you or be forwarded to another institution.

Counseling & Course Advisement
If you want to register in college course work with a prerequisite you have not completed at this college, you must meet with a Merced College counselor or advisor for approval. The counselor can help you determine your preparedness for courses you wish to enter, determine whether you have met prerequisites, and, when appropriate, assist you with the preparation of a “prerequisite challenge” (see below).

These sessions can also provide you with information regarding College resources and support services helpful to you and allow counselors to make recommendations regarding the number of units you should consider taking, given your other work/life obligations. Counselors can also advise you on other personal, social, educational, and career-related issues which may interfere with your course of study.

Are You Eligible for a Course?
Prerequisites and Corequisites
In both the College Catalog and the Schedule of Classes, skills are listed in the form of prerequisites, two types of corequisites, limitations on enrollment, and advisories. These skills are normally given in the form of a course, the successful completion of which will provide you with the necessary skill(s). A definition of each of these terms is listed below:

Prerequisite:
This represents a set of skills or a body of knowledge that you must possess prior to enrolling in a course. Without these skills you will be unlikely to receive a satisfactory grade in the course or succeed in the program. You will not be permitted to enroll in these courses and programs without the prerequisite.

One-way Corequisite:
This represents a course whose content is dependent on a main course, but the contents of the main course can stand alone. These courses do not necessarily need to be taken during the same semester.

Two-way Corequisite:
These are paired courses that are part of the same sequence. These courses must be taken during the same semester.

Limitation on Enrollment:
This is an audition or try-out requirement associated with public performance or intercollegiate competition, honors courses, or blocks of courses intended for a cohort or group of students (such as a nursing program).

Advisory:
This is a course, skill, or status which is strongly recommended but not required. If you have the advised skill, you will probably have a better understanding of the course material.

The most common way of satisfying a required or advised skill is by completing the prerequisite course with a grade of “C” or better. If you wish to enroll in a course with a prerequisite, and you have not completed the prerequisite course with a grade of “C” or better, refer to the challenge process below.

Request for Review of an Upper Division Course to Meet a Lower Division requirement
Students wishing to have an upper division course be given credit as meeting a requirement for any of the following:

- A major
- A competency
- General education breadth

Applications are due during the application for graduation window the semester prior to anticipated graduation or needed certification. The routing is as follows:

Major: Paperwork will be submitted to the discipline faculty for approval. Approval requires the signature of two faculty members in the discipline and the division chair.

Competency: Paperwork will be submitted to the Academic Exceptions Committee (AEC) for approval. Approval requires the signature of a discipline faculty member for the competency requested and the chair of the AEC committee as well as the Dean of Student Services.

General Education Breadth: Paperwork will be submitted to the Academic Exceptions Committee (AEC) for review. Approval requires the signature of the chair of the AEC committee as well as the Dean of Student Services.

The decision of the faculty is final; no appeal is available.
Challenging a Prerequisite
If you feel that you can meet the requirements, or if one of the conditions below exists, then you can challenge a prerequisite. A challenge petition can be obtained from the Counseling Office. The form will explain what you must do. Criteria for challenging a course are:

1. You believe you have the knowledge or ability to succeed in the course but have not completed the pre- or co-requisite.
2. You believe that, although you haven’t met the health or safety pre- or co-requisite, you feel you don’t pose a threat to yourself or others.
3. You believe you will be subject to undue delay in reaching the goal of your educational plan because the pre- or co-requisite course has not been made reasonably available, or the course has been limited to a special group of students and there are no other courses which would fulfill the requirement. You must attach a copy of your “Student Educational Plan” to be eligible to file a challenge based on this condition.
4. You believe that the pre- or co-requisite was established in violation of Title 5 regulations or in violation of district-approved policies.
5. You believe it is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.

Supporting documentation MUST be attached to all challenges submitted. Challenges may be filed at anytime during the registration period. Once you have completed the challenge procedure, your challenge will be reviewed and you will be advised of the determination within five working days. For more detailed information on the challenge process, call the Matriculation Coordinator at 381-6553.

Registering for Courses
You may register for classes in person at either the Merced Campus or Los Baños Campus and receive immediate confirmation of your classes.

Priority in registration is given to continuing matriculated students. Registration for new and former students usually begins in May for the fall semester and in October for the spring semester. New and former students must complete an admissions application and have an identification card prepared before processing their registration forms, and prior to attending the assessment appointment.

The current Schedule of Classes provides information on dates and times for registration, counseling, and other services.

Registering Late
During the late registration period, the first week of the semester or summer session, you may register in any unrestricted class which still has openings. You must obtain the signature of the instructor for any class which is closed.

English and Math Requirements
If you are pursuing an associate degree, you will have English and math requirements. You should begin to fulfill these requirements as early in your college career as possible. (See also Computer and Information Literacy under Competency Requirements.)

Some Courses Have Laboratory Requirements
Some courses, such as anatomy, biology, chemistry, and child development, require lab sections in addition to lecture sessions. You must register in both the lecture and the lab section for these courses at the time of registration.

Some Programs Are Restricted
(Limitations on Enrollment)
There are some programs for which additional criteria for enrollment are required: Certified Nursing Assistant, Home Health Care Aide, Licensed Vocational Nursing, Radiologic Technology, and Registered Nursing.

You are encouraged to speak with an Allied Health counselor in the Guidance Center (384-6478) or contact the Allied Health Division Office (384-6371) for details.

Safety in Allied Health Programs
Programs offered by the Allied Health Division which result in certification or licensure in health occupations include required courses of clinical training conducted at clinics, hospitals, and other patient care treatment centers. Students enrolled in clinical training settings are expected to maintain standards of practice that ensure the safety of clients and personnel in the clinical agencies. Safety is defined as meeting the objectives of a course by the times designated for each objective and to the degree of mastery designated.

A student will be dismissed from clinical training courses for unsafe behavior related to the objectives for the course in which currently enrolled, or to the objectives of previously completed clinical laboratory courses.

Requirements for Athletics Courses
Merced College is a member of a conference as authorized by the Commission on Athletics (COA) of the Central Valley Conference (CVC). Other Conference schools are: College of the Sequoias, Columbia College, Fresno City College, Reedley College, Porterville College, Taft College, and West Hills College. The COA also establishes rules of student eligibility and assigns “host” conferences when necessary. Eligibility to compete must be confirmed prior to participation by a student athlete.

Merced College offers competition in the following sports: men’s football, basketball, baseball, water polo, swimming, and track; and women’s basketball, volleyball, softball, swimming, track, and water polo.

If you are participating in varsity competition you must follow the Conference rules for athletic eligibility. These eligibility rules require that you:

1. Have begun regular attendance no later than one month after the beginning of the semester.
2. Be enrolled and attending at least 12 units of work.
3. After the first semester of participation, have passed at least 24 units with a minimum 2.0 average before competing again.

Regulations are subject to change by Conference officials and by the California Association of Community Colleges.
**Minimum and Maximum Unit Load**

You should plan to enroll in 15 units of course work each semester to earn your degree or certificate in a timely manner.

If you wish to enroll for more than 24 units in a semester or 8 units in a summer session, you must have completed a college term of at least 15 units with a minimum grade point average (GPA) of 3.5. Your request for excess units must be approved by the Dean of Student Services.

To qualify for one of the categories listed below, you must carry a minimum course load in a fall or spring semester as follows:

- Full-time Student: 12 units per semester.
- International Student: 12 units per semester.
- Work-Study Student: 12 units per semester.
- Social Security, California State Disability, and P.L. 674 Students: 12 units per semester.
- Military Benefits: Full-time - 12 units per semester; 3/4 time - nine units; 1/2 time - six units.
- Student Body Officer: 12 units per semester.
- Varsity Athlete: 12 units, and P.E. if required.
- Cooperative Education: Total of seven units per semester.

**There is a Limit on Nondegree-Applicable Basic Skills Courses**

You are limited to a total of 30 units in non degree-applicable basic skills courses (i.e., courses that are not college-level). If you have completed a total of 26 units of non degree-applicable basic skills course work, excluding ESL courses, you must apply for a waiver of the 30-unit limitation to continue in remedial course work. Petitions and procedures are available at the Office of Admissions and Records.

**Student Progress Monitoring**

Merced College monitors the academic progress of its students and communicates this information to enrolled students. Additionally, each term students failing to make satisfactory progress (2.0 GPA) are placed on probation, as are students who have withdrawn from more than 50% of the courses in which they have enrolled. Students on probation have additional restrictions placed on them.

**Auditing a Course**

You can audit a course only if there is space available in the class and you receive the instructor’s permission. You also must meet any prerequisites established for the course.

You can register to audit a fall or spring full-term course after the first week of instruction, or for a short-term or summer session course after the second class meeting. The per-unit fee for auditing is charged unless you are enrolled in at least ten units at the time you apply to audit a class. If you are already enrolled in at least ten units, you may audit up to three units free of charge. The audit fee is non-refundable.

Once you have enrolled as an auditor of a course, you may not enroll in that course for credit during the same semester, and you may audit a course only once. An audited course will not be posted on your permanent academic record; however, as an auditor, you will be expected to attend regularly and you may participate in class activities, take examinations, and write papers with the instructor’s consent.

If you are enrolled only as an audit student, you will have restricted use of some College facilities and services. Although you can use the library, you may not check out library materials, have access to the library’s periodicals or any instructor materials placed on reserve. You will have only restricted use of Student Health Services and will not have access to the College’s Employment Referral Service.

**Changing Your Schedule**

Adding a Fall or Spring Class

To add a class, obtain a Schedule Request form in the Office of Admissions and Records. Fill in the Course Registration/Adds section. A counselor’s signature will only be required if you are on probation or you are trying to register in a course which has a prerequisite and you either are not currently enrolled in the prerequisite or you have not successfully completed the prerequisite at Merced College.

You can add a class through the first week of the semester without instructor approval provided the class has not closed. After the first week, you must obtain the instructor’s signature on the add form. Since the College can lose the funding for your education when you register late, beginning with the fourth week of instruction, you must also obtain the approval of a Dean of Instruction.

Dropping a Fall or Spring Class

It is your responsibility to drop any class that you do not intend to complete. Classes may be dropped at any time you are eligible for registering.

If you drop a class within the first three weeks of an 18-week course, it will not appear on your permanent record. You will receive a grade of “W” on your permanent record for classes you drop after the third week and before the end of the fourteenth week of a regular semester. (See “withdrawal” in the section on grading.) If you drop a class after the fourteenth week, you will receive a letter grade of “FW.”

Instructors may initiate class drops for you if you have not attended class or if your attendance has dropped below standard (see Attendance Policy). If you are dropped by the instructor, you will receive a permanent record entry based on the above time periods.

Adding and Dropping Summer Classes

Adding a Class: You can add a class during the first week without instructor approval provided the class has not closed. From the beginning of the second until the end of the third week, you can add a class with the approval of the instructor and the Dean of Instructional Services. No class adds are allowed after the third week.

Dropping a Class: You may drop a class during the first week of classes and it will not be shown on your permanent record. For the second through the fifth week, a “W” - withdrawal -will be recorded on your permanent record. After the fifth week, you will receive a grade of “FW.”
If You Withdraw from the College

Total withdrawal from the College is your responsibility and can be accomplished by completing the Course Drops section of the Schedule Request form in the Office of Admissions and Records for all of your classes. You must pay all outstanding debts owed to the College and must return all books or other materials on loan from the College.

Tuition, Fees, and Refunds

A California State enrollment fee is charged per unit for all students. This enrollment fee is subject to change by the State Legislature. Enrollment fees are due at the time of registration.

If you are classified as a non-resident student, you must pay this enrollment fee in addition to the non-resident tuition fee. (See Residency and Tuition below.)

The cost of textbooks and supplies needed for courses is dependent upon the courses you select, and may vary widely. Textbook lists and estimated prices are posted at the Bookstore prior to any registration period.

IT IS YOUR RESPONSIBILITY TO REQUEST A REFUND. A REFUND APPLICATION MUST BE PRESENTED BY THE DEADLINE STATED IN ORDER TO QUALIFY FOR A REFUND.

Listed below are the various student fees, charges, and the refund policy for each. Fees may be charged or changed without notice.

- **California State Enrollment Fee:**
  - $20.00 per unit

- **Non-resident Tuition:**
  - $181.00 per unit ($173.00 for summer), plus enrollment fee. Tuition charges are subject to change beginning with the summer session each year.

- **Health Fee:**
  - $16.00 per semester ($10.00 for summer) to cover accident and injury insurance and referral and health counseling services.

- **Student Body Fee:**
  - $7.00 per semester ($4.00 for summer).

- **International Student Insurance:**
  - Approximately $600.00 per year is required; other insurance plans may be acceptable.

- **Transcript Fee:**
  - The first two transcripts are free; additional copies are $5.00 each. Please allow 10 working days from the receipt of your request. Next business day service may be available for pick-up or mailing for an additional charge of $10.00 per copy, but certain restrictions apply. Call 384-6193 for more information.

- **Parking Fee:**
  - $20.00 per auto ($10.00 for summer) per semester or $1.00 per day.

- **Child Care:**
  - As arranged per child by semester contract. Refund Policy: If services are cancelled with a two-week notice, a refund may be obtained for the remainder of the contract.

- **Auditing Fee:**
  - The per-unit fee for auditing is charged unless you are enrolled in at least ten units at the time you apply to audit a class. If you are already enrolled in at least ten units, you may audit up to three units free of charge. The audit fee is non-refundable.

- **Return Check/Stop Payment Fee:**
  - $30.00 per returned item.

- **Subpoena Fee:**
  - $15.00 per request.

- **Duplicate Diploma Fee:**
  - $10.00 per request.

Refund Policy

The general refund policy covers the following fees: enrollment fees, State health fees, parking fees, student body fees, student representation fees, and non-resident tuition.

You may apply for a refund if you withdraw from courses within the first two weeks of a full semester (18-week) course or, in the case of non-18-week courses, before 10% of the class meetings have passed.

After the second week of a full-semester course, or after 10% of the class meetings have passed on a non-18-week course, no refunds are available. Any additional classes added after the first two weeks will incur a financial responsibility.

Outstanding Debts Owed to the College

If you owe an outstanding debt to the College, a hold will be placed on your academic records at the Office of Admissions and Records. Services that the College normally provides you such as your ability to register, order transcripts, or the issuance of your diploma (and possibly other services) will not be available except in certain extenuating circumstances.

Ordering transcripts and the issuance of your diploma will be withheld until you clear the hold by paying in full. Your ability to register will be reinstated after you have paid in full or set up a payment plan with the College. To pay in full or arrange a payment plan, contact the Student Fees Office at 384-6219 (Merced) or 826-3431 (Los Baños). Credit card payments can be made online at www.mccd.edu.

Establishing California Residency

To avoid paying non-resident tuition, you must have resided in California for at least one year and one day prior to the opening date of the semester or summer session in which you are enrolling. You must also have satisfied at least two acts of intent prior to the one year and one day waiting period. These acts may include, but are not limited to, obtaining a California driver’s license, registering a motor vehicle in California, registering to vote in California, owning California property, or having one’s belongings in California. You must also show evidence that California income taxes have been or are being paid (unless you are on public support). Information regarding California residency may be obtained in the Office of Admissions and Records.
If you do not qualify for California residency, you must pay non-resident tuition.

To Be Reclassified as a Resident
If you have completed the one year and one day requirement, and were previously classified as a non-resident, you may obtain the forms from the Office of Admissions and Records for reclassification as a California resident. Reclassification has the additional requirement of financial independence from your parents if they are non-California residents.

Military Waiver of Non-resident Tuition
If you are a member of the U.S. armed forces on active duty in the State of California (and have not been assigned to California for educational purposes), you are exempt from non-resident tuition. There is no requirement for you to establish California residency; however, you must be on active duty at the time that you are admitted to the College to qualify for this waiver. If you become separated from the military, you will be required to provide evidence of your intent to establish residency in California at least one year prior to the date you are admitted.

If you are a non-resident military member, your dependents are entitled to an exemption from non-resident tuition until they have established residency as stated in “Establishing California Residency” above.

Residency Status for Refugees and Undocumented Aliens
New arrivals from countries approved for refugee status must reside in California one year and must hold an I-181 or an “Alien Registration Card” (green card) before applying for residency status.

If you are a refugee, but do not meet the above requirements, you will be considered a nonresident and must pay nonresident tuition. Eligible California high school graduates may qualify to pay resident tuition under the California Nonresident Tuition Exemption law (AB 540).

The California Community College Chancellor’s Office has ruled that undocumented aliens are to be classified as non-residents.

International Students
It is the philosophy of Merced College to encourage the attendance of international students to enrich and broaden the educational experiences of all students. With this philosophy as a basis, the Merced College International Student Policies encompass the following guidelines:

- A maximum number of international students equal to 5% of the previous year's full-time equivalent enrollment may be admitted to Merced College.
- Discretion is used in selecting applicants to ensure that there is a balance of international students from various countries of the world.
- International student eligibility is based on meeting the application requirements and English language proficiency (TOEFL 450) by the semester deadline.
- Upon acceptance to the International Student Program, a student is issued an I-20 immigration form that enables the student to apply for his/her student visa.

To apply for admission under the International Student Program, you should address a letter to the Program Assistant requesting an application (there is an application fee). If you are admitted to Merced College as an international student, you must pay non-resident tuition plus state enrollment fees. Financial aid is NOT available to international students. All fees and tuition are due and payable in U.S. currency.

Attendance & Grading

Attendance Policy
Regular attendance and consistent study are the two factors which contribute most to success in college work. As a college student you are expected to attend all sessions of the classes in which you enroll. Failure to attend class can result in a lower grade or in your being dismissed from a class.

Your priority in a class is established at the time you register for the class. If you register for a class and fail to attend the first class meeting, you will forfeit any priority in that class and may be dropped from the roll in order to accommodate another student wishing to register in the class.

If, in the opinion of the instructor, your absences in a specific class would prevent the successful completion of the course requirements, you may be dropped from the class. In the event of extenuating circumstances such as a verified illness, accident or conditions beyond your control, the instructor may allow you to continue under special arrangement.

Grade Scale
If you are enrolled in a course of instruction for which grades are awarded, the instructor of the course will determine the grade assigned using the following grade scale:

<table>
<thead>
<tr>
<th>Symbol</th>
<th>Definition</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>Satisfactory</td>
<td>3</td>
</tr>
<tr>
<td>D</td>
<td>Passing, less than satisfactory</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>Failing</td>
<td>0</td>
</tr>
<tr>
<td>FW</td>
<td>Failing, stopped attending</td>
<td>0</td>
</tr>
<tr>
<td>P</td>
<td>Pass - performance equivalent to a grade of &quot;C&quot; or better</td>
<td>N/A</td>
</tr>
<tr>
<td>NP</td>
<td>No Pass - performance equivalent to a grade of &quot;D&quot; or &quot;F&quot;</td>
<td>N/A</td>
</tr>
<tr>
<td>I</td>
<td>Incomplete academic work for justifiable reasons at the end of a term</td>
<td>N/A</td>
</tr>
<tr>
<td>W</td>
<td>Withdrawal from the class and/or College</td>
<td>N/A</td>
</tr>
<tr>
<td>IP</td>
<td>In Progress - a class was extended beyond the normal end of the academic term and assignment of a substantive grade must await completion of the class</td>
<td>N/A</td>
</tr>
<tr>
<td>RD</td>
<td>Report Delayed - a temporary notation recorded when there is a delay in reporting a grade</td>
<td>N/A</td>
</tr>
</tbody>
</table>

The non-evaluative grading symbols above (marked as "N/A" - not
Assigning and Removing a Grade of Incomplete
A written record containing the conditions for removal of the "I" is to be completed by the instructor at the time that grades are submitted to the Office of Admissions and Records. The grade to be assigned if the conditions for removal are not completed after one semester must be part of this record. A copy of the written record will be given to you, and one will be filed at Office of Admissions and Records.

If you meet the conditions within the one semester allowed, the required work will be evaluated and a final grade will be assigned. You may petition for a time extension due to unusual circumstances.

Taking Courses on a Pass/No-Pass Basis
You are allowed to earn a maximum of 12 units attempted on a pass/no-pass basis. There are certain courses in which all students are evaluated on a credit/no-credit basis only. These courses are specified in the course description in this catalog. All courses other than those included in the category above are available for the pass/no-pass option; however, courses specifically required for your degree or certificate should not be taken with this option.

Units you earn on a “P/NP” basis are not used in the calculation of your GPA; however, if you receive an “NP,” the units for that course will be counted as units attempted and considered in probation and dismissal procedures. You may repeat a course in which you received “NP.” (The repeated course will not be counted as units attempted.)

If you select the pass/no-pass option and later wish to receive the letter grade which was filed with the Registrar, you must submit the grade request form no later than one regular semester following the semester you received the “P.” Course units converted from pass/no-pass to a letter grade will not be counted in your 12 allowable pass/no-pass units, but will be used in the calculation of your GPA.

Grade Changes
The determination of your grade by the instructor will be final in the absence of mistake, fraud, bad faith, or incompetency. You must request a grade change no later than one year from the end of the college term in which you earned the questioned grade. If you are given a grade in error, correction of the grading error will include deleting the incorrect grade from the permanent files to ensure a true and complete academic record.

Aside from the situation where the instructor is unavailable, the instructor would need to be involved unless a student has filed a discrimination complaint or the district has determined that it is possible the instructor engaged in gross misconduct.

Repeating a Course
You may take a course once and then repeat it as many times as is stated in the course description in the catalog. This repetition may take place during one or more terms.

Other courses are not repeatable except under the following circumstances:

1. You may repeat a course two times in an effort to alleviate substandard academic work. A sub-standard grade is “D”, “F”, “NP” or “NC”. You may repeat a course a third time if the College finds there are extenuating circumstances which justify a third repetition. Extenuating are verified cases of accidents, illness, or other circumstances beyond the control of the student. (See also Academic Renewal below.)

2. The Academic Exceptions Committee approves a petition to repeat which indicates a significant length of time has elapsed since you took the course (five or more years), or for other substantial reasons.

3. Repetition shall be permitted in such instances when such repetition is necessary for a student to meet a legally mandated training requirement as a condition of continued paid or volunteer employment.

After you have repeated a course the following changes will appear:

If the grade received in the original course was a “D” or an “F,” an “R” will appear in the Notes column to the right of the original course. That grade will not be used in computing your GPA. The grade received in the approved repeated course will be used for GPA purposes.

Otherwise, the course and grade received in the repeated course will be posted to the transcript. The original course will continue to be used for purposes of GPA calculation. (State regulations do not allow “W” grades to be removed or lined-out.)

Repeated courses will not be counted as units attempted in the alleviation of substandard grades.

Academic Renewal
If you receive a sub-standard grade (“D” or “F”) for a course which would not be beneficial for you to repeat, you can petition to disregard this course for purposes of calculating GPA (that is, the course will be “lined out” on your permanent record.)

To be eligible for academic renewal, you must have completed 12 semester units from an accredited institution with a minimum GPA of 2.0 in each and every course. These 12 units must have been taken after the college term in which you received the sub-standard grade, and at least one semester must have elapsed since the grade was recorded.

You must have your Academic Renewal Petition approved by the Registrar. A maximum of 12 units can be “lined out.”

Courses required in your major are not eligible for academic renewal and must be repeated to improve your grade.

Other Means of Obtaining College Credit

Advanced Placement (AP)

Advanced Placement (General Examination)
Merced College participates in the Advanced Placement (AP) Program offered by the College Entrance Examination Board. A score of 3, 4, or 5, is required, depending upon the specific exam. Not all AP examinations are identified for credit.
Information about the awarding of credit by the specific AP exam and the application for Merced College Associate Degree Breadth, CSU General Education - Breadth, and IGETC is provided in the section entitled AP EXAMINATIONS.

C.L.E.P.
Merced College may award credit under the College Level Examination Program (C.L.E.P.). Credit for Subject Matter exams is based on the scores recommended by the American Council on Education (ACE). The number of units of credit granted varies. See your counselor for additional information.

Credit by Examination
If you are a student in good standing and have completed a minimum of 12 resident units, you are eligible to apply for credit by examination. This is often referred to as “challenging” a course. Most courses in the Merced College catalog may be taken by examination, but are not allowed for a course you have previously taken in an educational institution or for a remedial course. A student approved to take a course by examination will be charged a fee equal to the current enrollment fee per unit for the course.

Credit for Military Experience
After earning 12 units of credit in residence at Merced College, military veterans will be awarded up to 12 units of credit for military training and experience. These units will be recorded on the student’s Merced College transcript. This award will be based upon the American Council of Education’s (ACE) recommendations found on the individual’s ACE Registry Transcript. The bases for awarding credit for military training and/or experience are as follows:

BASIC TRAINING: The student will receive two units of credit in Physical Education.

OTHER MILITARY TRAINING/EXPERIENCE:
Merced College will grant a maximum of 10 units of general elective credit.

Transcripts from other accredited institutions of higher education will be evaluated and credit will be granted according to standard college procedures. (NOTE: Community College of the Air Force [CCAF] transcripts of Air Force veterans will be evaluated in this manner and will not be subject to the above unit limitations and residency requirements.)

Students seeking credit for specific Merced College courses based upon military training and/or experience must apply for credit by examination. See Credit by Examination for additional information.

Students seeking to use military training and/or experience in lieu of stated prerequisites must challenge the prerequisite using the standard college process. See Challenging a Prerequisite for additional information.

Probation & Dismissal

Academic Probation
If you have attempted at least 12 units, and earned a grade point average (GPA) below 2.0 based on all units recorded on your permanent record, you will be notified that you have been placed on academic probation. Your probation status is not affected by a break in attendance.

You will be removed from academic probation when your cumulative GPA is 2.0 or higher.

If you are on academic probation you will be subject to dismissal from the College if you earn a cumulative grade point average of less than 1.75 in all units attempted in each of three consecutive semesters.

Although units accumulated during a summer session are used in the calculation of your GPA, your probation status changes only at the end of a regular semester when grades are recorded.

For specific information regarding the impact of academic probation see Administrative Procedures AP 4250 and AP 4255.

Progress Probation
If you have enrolled in at least 12 units and the entries on your permanent record of “W,” “I,” and/or “NC” reach 50% of your cumulative units or more, you will be placed on progress probation. Your probation status is not affected by a break in attendance.

You will be removed from progress probation when the percentage of your units graded as “W,” “I,” and “NC” drops below 50% in this category.

If you have been placed on progress probation, you will be subject to dismissal from the College if the entries on your permanent record of “W,” “I,” and/or “NC” reach 50% of your cumulative units or more for three consecutive semesters.

Although units accumulated during a summer session are used in the calculation of your GPA, your probation status changes only at the end of a regular semester when grades are recorded.

For specific information regarding the impact of progress probation see Administrative Procedures AP 4250 and AP 4255.

Dismissal Notification
Students who have been dismissed from the college will be notified in writing.

Probation and Dismissal Appeal
You may appeal probation or dismissal provided that unusual and verifiable circumstances occurred that were strongly instrumental in leading to your probationary or dismissal status. Reasons for appeal might include: (a) your health; (b) an emergency in your family; or (c) an extreme change in financial situation which did not allow you to continue your education. Other reasons not listed above may also be considered.

Your Right to Grieve
Merced College supports your right to grieve or appeal any official action or incident which, in your judgment, is unfair or prevents you from obtaining equal educational opportunities. Board Policy and administrative procedure AP 5530 provides information about conditions under which students may grieve and the process to be followed.

In cases of action, such as your dismissal from a class, program, or the College, you can initiate an appeal according to a specific
appeal channel. If you wish to exercise your right to appeal an action taken against you by a College official, you should contact the Vice President of Student Personnel regarding the proper procedure to be followed.

In cases of incidents such as alleged discrimination or harassment, you can initiate a grievance. If you want to exercise your right to grieve such an incident, you should contact the College’s Equal Employment Officer regarding the proper procedure to be followed.
Air Force Reserve Officer Training (AFROTC)

The primary goal of AFROTC is to provide students with the opportunity for well-paying, challenging and rewarding positions as commissioned Air Force officers and leaders after graduation. The few years of service will provide young officers with leadership experience that will be invaluable for either an Air Force or civilian career.

Air Force ROTC courses are taken for academic credit as part of a student's electives. The two major phases of the curriculum are the General Military Course (GMC) and the Professional Officer Course (POC). The first two years of the Air Force ROTC Program (GMC) may be completed at Merced College and then students must transfer to the California State University, Fresno at the beginning of your junior year to complete the POC. In the Aerospace Studies program, all books, supplies, and uniforms are furnished at no cost to the student. Students may attend all GMC classes and not incur any commitment to the Air Force.

Air Force ROTC scholarships are available to qualified applicants in the four-year programs. Each scholarship provides full tuition, laboratory and incidental fees (up to $1,500 per semester), and a $900 a year allowance for curriculum-required textbooks. In addition, scholarship cadets receive a nontaxable $300-$500 subsistence each month during the school year. Scholarship approval is conducted by the CSUF AFROTC commander and cadets compete only against their fellow CSUF peers and do not compete for a scholarship against students AFROTC-wide.

Students who complete 16 upper-division units (of which 6 must be in residence) and a 2.0 GPA earn a Minor in Aerospace Studies.

For more information, contact California State University-Fresno, AFROTC at (559) 278-2593 or visit www.csufresno.edu/afrotc.

Art Gallery

The Art Gallery, located in the Theater Building, presents high-quality art exhibits in a wide variety of media throughout the school year for your enjoyment and enrichment. Exhibitions are often scheduled in conjunction with theater events.

Associated Students

The Associated Students of Merced College elects an Executive Board of nine members to represent the interests and needs of students at Merced College. Under the guidance of the ASMC Advisor, the Association serves as the communication channel among the students, the college administration, and the Board of Trustees. If you are a member of ASMC, you are eligible to participate in shared governance as a representative of the student body on major college committees. In order to be an ASMC member, you must be officially registered, be attending classes, and must have paid the ASMC dues.

ASMC sponsors the following activities: Homecoming, Spring Carnival, and Project Christmas.

As an ASMC member you receive the following benefits and privileges:

- Discount admission to MC athletic and theater events, and all ASMC sponsored activities.
- Check cashing privileges in the Bookstore.
- Eligibility to apply for ASMC scholarships.
- Membership in campus student organizations.
- Right to seek election to student government.
- Student-to-student book exchange/sale.
- Access to the Merced School Employees Federal Credit Union.

Associated Student Fees

The Associated Student membership fee is $7.00 each semester, payable at the time of registration. A $7.00 replacement fee will be charged for a lost ASMC sticker, and $2.00 will be charged for a replacement I.D. card.

Student Activities

Student Activities is guided by the belief that college learning extends beyond the classroom. Curricular events and activities provide a “laboratory” for learning within a collaborative environment.

Services:

- On-campus posting and approval
- Student Supporting Students Program (S.S.S. Program – a Peer Assistance Program.)
- Used book sale registry (book cards)
- Emergency food pantry
- Free phone privileges in our office
- Free legal aid program
- Debt reduction program
- Student housing information
- Emergency short term loans
- Soda and snack machine reimbursements
- Campus & student clubs and organizations information and paperwork
- Athletic event schedules
- Event and activity planning and coordination
- Leadership development and skills
- Team building
- Community/campus awareness
- Community resources
- Parliamentary Procedure awareness
- Networking among students
- Posting for the Merced College All Events calendar
- Scholarship workshops

Activities

- Student blood drives in fall and spring semesters
- Canned food drives
- Homecoming celebration
- Guest speakers
- Student club activities information
- Spring Festival
- Voter registration
- Extracurricular activities which promote and enrich student life
- Monster Bash
- Constitution Day
- Project Christmas
- Holiday Baskets

You are encouraged to come in and inquire about the services available to new and continuing students. The Student Activities Office is located in the Student Union building, or you may call 384-6118.

**Bookstore**

The Merced College Bookstore is located in the Student Union Building. Textbooks, paperbacks, study aids, art materials, nursing supplies, stationery, collegiate apparel and other supplies. Special orders and custom orders are welcomed. Regular bookstore hours are from 07:45a. - 03:00p. Monday through Friday, and from 05:45p. - 07:15p. Monday through Thursday. Shop online at [www.mercedcollegebookstore.com](http://www.mercedcollegebookstore.com)

**Cafeteria**

You will find complete meals, soups, sandwiches, pizza and snacks at competitive prices in our attractive cafeteria located in the Student Union building. We also provide on-site affordable customized catering for small to large luncheons and BBQ. See our catering menu on our website @ www.mccd.edu and click on services. Or call 381-6549.

**Career/Transfer Center**

The Career/Transfer Center provides services to assist individuals in making occupational and educational decisions. Included in these services are:

- Career search software with information on hundreds of occupations and training programs.
- A resource center for career information material.
- Career interest testing to help students determine occupational and educational goals.
- Counseling services and current information on transfer programs which include Transfer Admission Agreements and articulation agreements on various majors and general education requirements.
- Contact with four-year colleges and universities including scheduled on-campus visits by representatives, college fairs, and transfer workshops.
- A library of college catalogs including the UC and CSU systems, California Community Colleges, and many independent institutions.
- Assistance completing UC and CSU applications.
- Test booklets, bulletins, scholarship information, and applications (e.g., CBEST, CSET, SAT, TOEFL).

The Career/Transfer Center is your career and college information and resource center. If you plan to transfer, you are encouraged to visit the Center as early as possible. The Career/Transfer Center is open during the fall and spring semesters from 08:00a to 04:30 p. Monday through Friday, and Wednesday evenings until 07:00 p. Summer hours will vary. Come in or call 384-6243 for Career Services or 384-6239 for Transfer Services.

**Child Development Center**

Child Development Center services are available on campus for the children of students, staff, and community members. The program is an infant/preschool educational program, and serves as a laboratory for students majoring in Child Development. A charge is levied for this service; however, if you qualify, financial aid is available. Applications are available at the Child Development Center.

**College Clubs**

The active student club program at Merced College is designed to increase the opportunities for students to engage in activities which contribute to educational and/or social growth outside the classroom.

Contact the Associated Student Office at 384-6114 for current information on clubs and club activities.

**Counseling and Guidance**

The Guidance Center is staffed by professional counselors with training and expertise in the areas of personal, educational, and vocational/career development. In addition to services provided by the professional counseling staff, the Center is also staffed by teaching faculty who can provide you with academic advisement in their areas of concentration or major. Counselors and advisors will assist you in making satisfactory progress in your program of study, and will confirm that you are taking appropriate prerequisite course work necessary for your success in higher level courses which may be required for your major.

Counselors are also assigned to other support services and programs: Extended Opportunity Programs and Services, Disabled Student Services, International Student Services, the Career/Transfer Center, Veterans Services, V.T.E.A., CalWORKS, Non-credit Matriculation, Student Athlete Support.

You may meet with counselors and advisors either on an appointment or walk-in basis. The Guidance Center is open Monday through Friday from 08:00a-04:00p, and is open Wednesday evening until 07:00p.

**Disabled Student Services**

Disabled Student Services (DSS) provides support services and educational accommodations to students with disabilities allowing them to benefit from the college experience equally with non-disabled students. Examples of services include: course planning and registration assistance, diagnostic assessment for learning disabilities, access to assistive computer technologies, alternate print material such as Braille or e-text, books on tape or CD, testing accommodations, adaptive physical education, interpreters for the deaf, and classroom note takers.

The DSS staff provides a supportive and individualized approach to the provision of services. Students are encouraged to stop by DSS on the Merced or Los Baños campus to see if they qualify for services. Call 384-6155 or 384-6311 (TDD) in Merced, or 826-3495 in Los Baños for more information.
Extended Opportunity Programs and Services (EOPS) and CARE Programs

The EOPS program provides academic & personal counseling, book service, book loans, emergency loans, EOPS grants for eligible students. Other services available to EOPS eligible students include priority registration, tutoring, computer/typewriter usage, typing services, etc. The CARE program is an additional service provided through the EOPS program to assist the single parent in completing their college education. The additional services to CARE eligible students include CARE orientation and workshops, CARE grants, meal vouchers, gas card/bus passes.

To determine your eligibility for EOPS/CARE contact the Merced College EOPS office at (209) 381-6596 or Los Baños EOPS Office at (209) 826-3495 for more information.

Facilities Usage

College facilities are available for use by public agencies and community organizations to serve the educational, economic, and artistic interests of the citizens of the community. Hundreds of events per year are scheduled on the Merced campus. A comprehensive master calendar is maintained in the Facilities Office. Both indoor and outdoor facilities are available, subject to priority of instructional programs. Reservations for meetings and/or banquets should be made well ahead of time at the Facilities Office. Call (209) 381-6593 for more information.

Financial Aid

While Merced College subscribes to and supports the philosophy that primary responsibility for funding college expenses rests with the students and families, the College recognizes that you and/or your family may have limited financial resources and are unable to meet all of the expenses associated with higher education without supplemental assistance.

To help accommodate you with supplemental needs, the College provides a variety of financial assistance methods through the Financial Aid Office on the main campus and at the Los Baños campus.

Available programs include: 1) the Federal Pell Grant; 2) the Federal Supplemental Educational Opportunity Grant (SEOG); 3) the Federal Work Study program; 4) State of California Cal Grant programs; 5) State of California Board of Governors Fee Waiver (BOG); and 6) Merced College Foundation Scholarships.

Application

Financial aid funds come from appropriations made by the Federal and State governments and through scholarship awards made by individuals and other public and private agencies and organizations. Hence, each of these funds MUST be administered according to different sets of policies, regulations, and/or specific requirements. To make the process of receiving aid as simple as possible for you, the Free Application for Federal Student Aid (FAFSA) determines your eligibility for most state and federal assistance programs.

You also are required to file a Grade Point Average Verification Form with the California Student Aid Commission for a Cal Grant. Separate applications forms for specialized grants (the Child Development Grant and the Chafee Grant for Foster Youth) are also required. Separate scholarship applications for a number of locally administered scholarships are available in the Financial Aid offices on both campuses.

Student Eligibility

Policies relating to the College’s general admission and academic progress standards are described elsewhere in this catalog. Following are the requirements for most financial aid administered by Merced College:

- You must be a U.S. citizen or eligible non-citizen
- You must have a valid Social Security number;
- You must be working toward a degree or certificate;
- You must be making satisfactory academic progress;
- You must not owe a refund on a Federal grant or be in default on a Federal educational loan;
- You must be making satisfactory academic progress;
- You must have a “financial need” as determined by submitting the FAFSA;
- You must have a high school diploma, or GED, or pass the California High School Proficiency Examination or Merced College’s Ability-To-Benefit Test.

To be eligible for California grants, you MUST also:

- Be a resident of California, and have “financial need” based on the criteria for the BOG or Cal Grant Program.

Additional information about financial aid is available in the Financial Aid Office, or call 384-6031.

Merced College Standards of Satisfactory Academic Progress for Financial Aid Eligibility

This policy has been developed for students receiving Financial Aid. Federal laws require you to move toward the completion of a degree or certificate when receiving financial aid. These laws state that Academic Progress Standards MUST include a review of periods of enrollment in which you did not receive aid as well as the periods you did receive aid. For the purpose of financial aid eligibility, you MUST meet the following minimum standards:

- You must maintain a grade point average of at least 2.0 in all units attempted. This includes a cumulative GPA as well as a 2.0 for your last two semesters.
- Your transcript history must reflect at least a 67% successful completion of all enrolled units.
- You will be expected to complete a degree or certificate program within 90 attempted units (150% of the published unit requirement). Exception to this maximum may be made with appropriate documentation on a case-by-case basis.

You may appeal a denial of aid based on the maximum time limits by submitting a petition form and an educational plan, which has been reviewed and signed by a counselor, and which shows the revised goal and specific additional unit requirements. You may also appeal a denial based on poor grades. You can obtain the petition or appeal forms in the Financial Aid Office. Each appeal will be reviewed on a case-by-case basis. You will be notified in writing of a probationary status or denial of financial aid when academic progress has not been met.
Financial Aid Repayment Policy
If you withdraw on or after the first day of class and have received Title IV funds (Federal Financial Aid) for non-institutional charges, the institution MUST determine whether you owe a repayment of any portion of the funds received.

If the institution determines that your non-institutional educational expenses incurred up to the time of withdrawal exceed the amount of cash disbursed, you have not been overpaid and may be entitled to a post-withdrawal disbursement. If the cash disbursed to you exceeds non-institutional costs, the excess amount is an overpayment and you must repay these funds. All non-institutional living expenses are prorated based on the number of weeks you have completed during the semester.

Return to Title IV Funds calculations are based on: 1) your Federal financial aid award; 2) your enrollment status (full, three-quarter, half, or less than half time) at the time of final withdrawal; and 3) the portion of the term completed.

Deadlines/Priority Dates
To be considered for California State Cal Grant A, B, and/or C programs, the FAFSA application and the GPA Verification form for Cal Grants must be filed by March 2nd of each year. It is recommended that you obtain a proof of mailing from the Postmaster to document your filing on or before the March 2nd deadline. Please read the GPA Verification form instructions carefully, because changes are made every year.

September 2nd is the deadline for a second chance opportunity for Cal Grants that is available to community college students only.

The Merced College Admissions & Records Office automatically verifies electronically GPAs for all continuing students who have completed a sufficient number of degree applicable units prior to the deadlines. You can check with A&R to determine if your GPA has been submitted electronically to the California Student Aid Commission. Merced College Scholarship applications are due March 31st of each year. The window of opportunity for scholarship applications is March 1st to March 31st. If March 31st falls on a weekend, then the due date is the last working day before the weekend. Notice will be posted each year. You can obtain a scholarship application in the Financial Aid Scholarship Office.

Library
The Library opened in a new facility in February 2007 and is located on University Avenue on the north side of campus. The library purchases materials and media and provides services in support of Merced College’s student learning outcomes and provides the following:
- Information and reference help for students and faculty;
- Information competency and library instruction;
- Print materials, media, and technology for students and faculty;
- Access to online and electronic resources;
- Spaces for reading, media viewing, studying, collaborative projects, and meetings

Faculty Librarians assist students and faculty with information and reference needs and provide class-based information literacy instruction and library orientations. Students are encouraged to approach reference librarians for assistance in locating information and materials. Interlibrary loan is available through the reference librarians.

Most library materials may be checked out. Students may borrow books and media for specified periods of time ranging from two weeks to overnight. Some reserve and media items are for in-library use only.

Only current students, faculty, and staff of Merced College can check out materials, use reserve materials, or use computer stations.

Housing Services
If you are seeking housing, advisement is available in the Associated Students Office, although the College does not officially authorize any housing. For further information, contact ASMC at 384-6114.

Job Opportunity Services
Job Opportunity Services offers employment referral assistance for part-time, temporary, and full-time jobs for students attending Merced College and for up to two years after graduation. Other services provided are resume writing, interviewing techniques, job search assistance, and information regarding employment trends. The center also provides listings from summer camp programs locally and country wide.

Students who already have jobs may sign up for Cooperative Education, earning college credit while they work and providing an opportunity for skill development and career exploration. Office hours are Monday through Friday, 8:00 a.m. to 4:00 p.m.

Puente Project
Puente students...
- Succeed academically
- Are recognized as leaders and scholars
- Graduate from four-year colleges and universities
- Belong to a statewide network of leaders and professionals.

Puente was founded in 1981 by Co-Directors Felix Galaviz and Patricia McGrath at Chabot College in Hayward. The program mission was to increase the number of Mexican American/Latino students transferring to four-year colleges and universities. Since then, Puente has expanded to 38 community colleges throughout the state. Puente is open to all students who wish to transfer to a 4-year university.

Many components work together to prepare Puente students to transfer to four-year colleges and universities:
English and Guidance Instruction: Puente students take two consecutive writing classes, ENGL-A/ENGL-AL and ENGL-01A and additional English/Education courses as scheduled by the project instructors. These classes provide a supportive and stimulating environment for Puente students to build confidence in their writing skills through an exploration of the Mexican American/Latino experience. All Puente students are also required to enroll in the scheduled guidance course each semester.

Counseling: Puente students work closely with their Puente counselor until they graduate, exploring career options, developing an academic educational plan, and identifying lifetime goals. Students visit University of California, California State University and private college campuses and attend an annual Puente student transfer conference.

Mentors: Business or professional mentors share with students their personal, academic, and career experiences, and provide a window into “real-life” work environments. The network of trained Puente mentors provides many resources for the Puente students, their families, their colleges, and the community.

Call the Guidance Division at 381-6456 for more information.

Servicemember’s Opportunity College

Merced College has been designated as an institutional member of the armed forces in developing an educational plan and providing opportunities for individuals to complete requirements at Merced College or at other cooperating educational institutions throughout the world. The Merced College Servicemember’s Opportunity Counselor assists servicemembers while they are attending Merced College, and continues to guide their educational planning in the event that a transfer to another institution is required.

This program’s services include counseling at the Merced College campus, and credit for education obtained through “non-traditional” modes such as military schools and credit by examination. Upon completion of the servicemember’s educational goal, Merced College will award an appropriate associate degree or certificate of achievement. Contact the Dean of Student Services for further information.

Student Health Services

All Merced College students are eligible for Student Health Services. These services are coordinated through the Student Health Services Office located in the Student Union building. Services provided include:

- Counseling for students regarding medical conditions, nutrition, family planning, pregnancy concerns, adjustment problems, sexually-transmitted disease, drug abuse, or drug crisis.
- Assistance with locating various medical, dental, vision, or other health care providers.
- Skin testing for TB (tuberculosis).
- Over-the-counter medication samples.
- Secondary accident insurance coverage for all students while on campus or involved in College-sponsored activities off-campus. (An accident report must be completed.)
- First aid services.
- Free pregnancy testing.
- Condoms.

For more information, call 384-6045.

Title V Cooperative Grant

This program is a cooperative partnership between Merced College, MJC, and CSU Stanislaus funded by Title V through the U.S. Education Department to promote student success in math and transfer to a four-year college, by providing innovative curricular and supportive services. For program eligibility or other information contact:

Math (Activity I) ......................................................... 384-6012
Transfer (Activity II) .................................................. 386-6649

Veterans Services

Merced College is approved to train veterans and eligible persons under Title 38, United States Code. Eligible persons should go to the Merced College Veterans desk located in the Admissions & Registration area to complete the paperwork for the Department of Veterans Affairs educational benefits. Class registration information can be found in the “Schedule of Classes” booklet printed each semester.

It is the responsibility of each eligible person to notify the Veterans desk that he/she is enrolling EACH semester. Short-term classes are usable toward the educational benefit only during the period of time that the class is in session. If benefits are discontinued for any reason, reinstatement can occur by complying with the requirements of the Department of Veterans Affairs.

In keeping with Title 38 U.S. Code, a veteran or eligible person is required to make satisfactory progress toward his/her academic objective. The College is required to certify satisfactory progress on the quality of performance and progress toward objectives.

Classes in which a “D” or “F” is received, or classes listed in the catalog as repeatable, may be repeated and may be qualified for educational benefits if such classes are required for graduation or transfer objectives.

Vocational Student Support Services (VSSS)

The Vocational Student Support Services office is available to assist primarily Cal-Works students in collaboration with outside agencies such as the Human Services Agency (HSA), the Department of Workforce Investment (DWI), and the Merced County Office of Education Empower Program. The VSSS office serves as a liaison between the student and the agency. VSSS contracts with outside agencies to provide supportive services such as orientations, case management, time and attendance verification, child care services, CalWORKs Work Study and Work Experience opportunities, assistance in receiving books and required supplies for classes, employability workshops and progress reports. Further information is available by telephone at 384-6235.
**Catalog Rights**

You have “catalog rights” in the selection of regulations determining graduation requirements. These requirements include general education/breadth requirements, major or certificate requirements, competency requirements and other requirements within the power of the College, unless superseded by a higher authority such as state code.

Based on the regulations described below, you may elect to meet catalog requirements for an associate degree, certificate program or transfer breadth pattern from any of these three choices:

1. The Merced College Catalog in effect at the time you began continuous enrollment leading to graduation or certificate completion at any appropriately accredited California college or university, or
2. The Merced College Catalog in effect at the time you began attending Merced College, or
3. The Merced College Catalog in effect at the time of your graduation or certificate completion.

Your “catalog rights” are protected based on the following regulations:

1. “Catalog rights” are preserved by maintaining continuous enrollment. Continuous enrollment is defined as an official transcript entry in one regular semester or two regular quarters of each calendar year at an appropriately accredited college or university. Any lapse in attendance of one calendar year or longer will break a student’s continuous enrollment status.
2. Once “catalog rights” have been established, absence related to an approved educational leave shall not be considered an interruption, providing the absence does not exceed two years.
3. Active military duty will maintain your continuous enrollment status provided you enter the military from an accredited college or university and return at the first registration for a regular semester or term following your release. The dates of military service must account for all of the time not in attendance.
4. If your “catalog” outlines an earlier version of an associate degree or certificate program in which the division has discontinued or modified required courses, the division may authorize appropriate substitutions.
5. If your “catalog” outlines an earlier version of a transfer breadth pattern in which course options have been modified, you should expect to be held to the transfer breadth pattern requirements (1) in effect at the time the modification was first listed; or (2) in effect at the time of transfer.
6. If, while enrolled, a new associate degree, certificate program or transfer breadth pattern is listed in the catalog and you wish to graduate with that associate degree, certificate program or transfer breadth pattern, you should expect to be held to the associate degree, certificate program or transfer breadth pattern requirements (1) in effect at the time the associate degree, certificate program or transfer breadth pattern was first listed; or (2) in effect at the time of graduation or transfer.

Whether you choose option (1) or (2) concerning your associate degree, certificate program or transfer breadth pattern, you will continue to be held to all other requirements listed in the Merced College Catalog for which you claim “catalog rights” as defined above.

**Applying for Graduation**

You must complete an application for graduation in order to be eligible for graduation in your major or to receive a Certificate of Achievement in your area of study. Graduation applications are available through the Guidance Division at the beginning of the third week of each regular semester for an eight-week period. You may apply for graduation one semester before you intend to complete your requirements.

When your application is received, your transcript record will be evaluated and you will be notified of your eligibility or of any deficiencies that would prevent the successful completion of your degree requirements at Merced College.

**Superintendent’s Honors**

If you are a graduating student, have completed at least 36 units at Merced College, and have maintained a GPA of 4.0 in courses* at Merced College and in all course work attempted at any other colleges, you will receive recognition from the Superintendent. Your work in progress from the spring semester will not be used in this computation; the computation will be based on completed grades recorded on your official Merced College transcript.

**Graduation with Honors**

If you are a graduating student, have completed at least 45 units at Merced College, and have maintained a GPA of 3.5 in courses at Merced College* and in all course work attempted at any other colleges, you will be graduated with honors. Your work in progress from the spring semester will not be used in this computation; the computation will be based on completed grades recorded on your official Merced College transcript.

*The GPA calculated for the purposes of Superintendent’s honors and graduation with honors excludes physical education activity courses, more than eight units in Cooperative Education, all remedial-level courses, and “P/NP” grades in any courses.

**Graduation Requirements**

Requirements for graduation with an Associate in Arts or an Associate in Science degree are prescribed by the Board of Regents of the California Community Colleges and the Board of Trustees of the Merced Community College District. These are as follows:

- You must complete at least 60 degree-applicable units with a 2.0 or higher grade point average (GPA).
- You must complete at least 12 units at Merced College.
- You must file an application for graduation by the current deadline as reflected in the school calendar.
- You must complete associate breadth requirements consisting of 23-27 units.
You must complete the major requirements for either an Associate in Arts or Science degree (see below and listings under “Programs, Associate Degree, Certificate, and Transfer”). Courses taken to satisfy either the associate breadth requirement or the associate major requirement may be double-counted.

- You may choose electives from the courses numbered 1-79 and the independent letters A, B, C, etc.
- The Associate in Science degree is awarded for completing 30 or more units in engineering, math, science, or technical programs. The Associate in Arts degree is awarded for all other majors (the major must contain a minimum of 18 units).
- Meet competencies as described in the following section.

Note: You may be awarded more than one associate degree if you complete all applicable requirements; however, no courses in the first major can be counted in the second major. You must meet the requirements in effect at the time the new degree is declared.

Competency Requirements

You must achieve competency in the areas of reading, writing, mathematics, and computer and information literacy through the following:

**Reading Competency**
You must receive a grade of “C” or better in ENGL-41 or the equivalent, or complete your AA/AS breadth requirements with a grade of “C” or better in each breadth course.

**Writing Competency**
You must receive a grade of “C” or better in ENGL-A, ENGL-B, or ENGL-01A, or the equivalent.

**Math Competency**
You must receive a grade of “C” or better in MATH-A (or MATH-B) or a grade of “C” or better in any course which has the prerequisite of Math A, or the equivalent.

**Computer and Information Literacy**
Merced College instituted a competency in Computer and Information Literacy in fall 2000. To meet the competency required in Computer and Information Literacy, you must receive a grade of “C” or better in courses which meet each of the competency requirements A through G listed below.

A. Name and describe the typical digital computer components and their functions;
B. Describe common computer applications and related social and ethical problems/impact;
C. Learn fundamental operation and concepts of word processing, spreadsheet, and/or database software applications;
D. Understand the difference between information and knowledge;
E. Understand the links among information centers and the access points available through technology and reference sources;
F. Understand the basic structure of electronic databases and the strategies used to access them;
G. Recognize the different levels, types, and formats of information including but not limited to primary vs. secondary, and popular vs. scholarly.

The courses and programs listed in the following grid show the areas of competency they covered in a given catalog year. The catalog year in which the course or program is completed determines if a particular competency is met. Competencies met by a specific course or program may change on a yearly basis.

Students should check their completed course work against the competency grid and consult a counselor to identify any specific competency still required.

Computer and Information Literacy competencies catalog rights are determined by the grid listed in the current catalog. Courses are determined to meet the competencies based upon the catalog year in which the student completes the target course, not upon the catalog when the student began attending Merced College.
Following are the areas of Computer and Information Literacy that various Merced College courses fulfill.

ASSOCIATE DEGREE MAJORS AND
CERTIFICATE PROGRAMS

Associate Degrees:
Since learning is a continual process of self-discovery, you are encouraged to keep an open mind about your potential and options. California Community Colleges have unique relationships with the UC and California State University systems, so you can move easily from a two-year to a four-year college. With proper planning, you can earn an associate degree while fulfilling the lower division requirements of a four-year school. As you choose courses at Merced College, you are encouraged to keep your options open for transfer.

Certificates of Achievement:
If you are interested in taking only the occupational major area classes, you will be eligible to receive a Certificate of Achievement from Merced College upon the successful completion of the final occupational major area course. A grade point of at least 2.0 or better is required in the area of concentration, and a minimum of 12 units must be taken at Merced College.

Merced College awards Associate Degrees or Certificates in the following areas:

05000.AA Accounting (AA)
05000.CT Accounting (CT)
21050.AA Addiction Studies (AA)
21050.CT Addiction Studies (CT)
05006.AA Administrative Legal Office Professional (AA)
05006.CT Administrative Legal Office Professional (CT)
05007.AA Administrative Medical Office Professional (AA)
05007.CT Administrative Medical Office Professional (CT)
05008.AA Administrative Office Professional (AA)
05008.CT Administrative Office Professional (CT)
01052.CL Agricultural Chemicals (CL)
01000.AA Agriculture Business (AA)
01000.AS Agriculture Business (AS)
01000.CT Agriculture Business (CT)
01050.AA Agriculture, General (AA)
01050.AS Agriculture, General (AS)
01050.CT Agriculture, General (CT)
01100.AA Animal Science (AA)
01100.AS Animal Science (AS)
01100.CT Animal Science (CT)
22100.AA Anthropology (AA)
22100.AA Cultural Anthropology Concentration (AA)
22200.AA Physical Anthropology Concentration (AA)
22300.AA Archaeology Concentration (AA)
49800.AA Arts and Humanities (AA)

Automotive Technology
09000.AA Automotive Technology (AA)
09001.CL Automotive - Body and Fender (CL)
09002.CL Automotive - Engine Performance (CL)
09003.CB Automotive - Automotive Engines (CB)
09007.CL Automotive - Parts and Service Professional (CL)

AA = Associate of Arts (A.A.) degree
AS = Associate of Science (A.S.) degree
CT = Certificate requiring 30 to fewer than 60 semester units
CF = Certificate requiring 60 or more semester units
CE = Certificate requiring 6 to fewer than 18 semester units (Not approved by Chancellor’s Office)
CO = Other credit Award, under 6 semester units
CB = Certificate requiring 12 to fewer than 18 semester units (Approved by Chancellor’s Office)
CL = Certificate requiring 18 to fewer than 30 semester units

09004.CL Automotive - Suspension and Brakes (CL)

- **CT** = Certificate requiring 30 to fewer than 60 semester units
- **CF** = Certificate requiring 60 or more semester units
- **Pending State Approval 05-24-08**
Breadth requirements are designed to introduce students to the variety of means through which people comprehend the modern world. Those who receive associate degrees must possess in common certain basic principles, concepts and methodologies unique to and shared by the various fields of study. College-educated persons must be able to use this knowledge when evaluating and appreciating the physical environment, the culture, and the society in which they live. Most importantly, this education should lead to a better self understanding.

A student may use the same course to fulfill an AA/AS major requirement and associate degree breadth requirement.

To complete the associate breadth requirement, students must select courses that fulfill the unit requirements of the following areas:

**Area A - Language and Rationality** (6 units total)
Courses in language and rationality are those which develop for the student the principles and applications of language toward logical thought, clear and precise expression and critical evaluation of communication in whatever symbol system the student uses. (Select one course from each area.)

(A1) English Composition (3 units)
ENGL-A, 01A

(A2) Communication and Analytical Thinking (3 units)
ACTG-04A
COMM-01, 01H, 02, 04, 05, 30
CPSC-01
ENGL-13, 13H
MATH-C, D, E, 02, 04A, 04B, 04C, 05A, 05B, 06, 08, 10, 15, 17,
20A, 20B, 21, 25, 26
PHIL-10, 12, 13, 13H

**Area B - Natural Sciences** (3-6 units total)
Courses in the natural sciences are those which examine the physical universe, its life forms, and its natural phenomena. (For an A.A. degree, select one course from either area B1 or B2; for an A.S. Degree, select one course from each area.)

(B1) Physical Science (3 units)
ARCH-01
ASTR-01, 01L
CHEM-02A, 02B, 04A, 04B
ELCT-30
GEOG-01
GEOI-01
PHSC-01, 01L
PHYS-02A, 04A, 10
SOIL-10

(B2) Life Science (3 units)
ANSC-10
ANTH-01
BIOL-01, 04, 04H, 06, 08, 09, 12, 13, 16, 18, 20, 25
ENTC-30
PLSC-10

**Area C - Humanities** (3 units total)
Courses in the humanities are those which concentrate on the study of cultural activities and artistic expressions of human beings.

ART-01, 02, 06, 12A, 15, 24A
DRAM-01, 02, 03
ENGL-01B, 03, 04A, 04B, 05, 06A, 06B, 07, 08, 09, 10, 11, 14, 18
FREN-01, 02, 03, 04
GERM-01, 02, 03, 04
HMNG-01, 02
HUM-01, 01H, 02, 02H, 15*, 18, 21
JPNNS-01A, 01B, 02
MUS-01, 11, 12, 13, 14
PHIL-01, 01H, 03, 04, 05, 15
SPAN-01, 02, 03, 04, 10, 11

**Area D - Social and Behavioral Sciences** (6 units total)
Courses in the social and behavioral sciences are those which focus on people as members of society. (Select one course from area D1 and one course from area D2.)

(D1) (3 units)
AGBS-11
AGRI-10
ANTH-02, 10*
CRIM-01
ECON-01A, 01B
GEOG-02, 30
PSYC-01A, 01AH, 15, 20, 25, 51
SOC-01, 02

(D2) (3 units)
22*, 23, 24*, 29, 39ABC (as a unit),
POSC-01, 02
SCSC-01

**Area E - Lifelong Understanding and Self-Development** (5 units total)
Courses in lifelong understanding and self-development are those which equip human beings for lifelong learning by providing them with the skills necessary to function as independent adults in contemporary society and foster an understanding of themselves as integrated physiological and psychological entities. (Select one course from each area.)

(E1) Integrated Organism (3 units)
AUTO-04
BUS-34, 35
CLDV-02, 09
GUID-30, 48, 52
HLTH-10, 16
LAND-11
NUTR-10
PSYC-09, 22, 23, 35, 36

(E2) Activity (2 units)
DNCE-14
PHED-01, 02, 03, 10, 11, 12, 13, 14, 15

*Designates ethnic studies courses which expose students to, develop an understanding of, and examine cultures that are different from the dominant culture of the United States. In addition, these courses teach an appreciation and knowledge of ethnic contributions to the society of the United States.
AP Credit for Merced College Associate Degree Breadth

You will be granted three to six units of credit if you complete the Advanced Placement (AP) examination with a score of 3, 4, or 5, depending upon the specific exam listed below. Not all AP exams are identified for credit. You will not receive a letter grade.

AP credit can not be counted toward the degree major. AP credit can be counted toward the associate degree general education requirements.

AP Credit for CSU GE

For the fall 1997 term and beyond, all institutions participating in the CSU General Education-Breadth certification may treat the AP examinations listed below as though they were incorporated in the institutions’ own General Education-Breadth certification list.

- Students must have scored 3, 4, or 5 on the AP examination to receive the credit indicated. All CSU campuses will accept the minimum units shown below toward fulfillment of the designated General Education-Breadth area if the examination is included in a full or subject-area certification.
- Individual CSU campuses may choose to accept more units than those specified below towards completion of General Education-Breadth requirements. The CSU campus to which the student is transferring determines the total number of units awarded for successful completion of an AP examination and the applicability of the examination to other graduation requirements.
- Not all AP examinations are approved systemwide for fulfillment of General Education-Breadth requirements, nor can all General Education-Breadth areas be completed by AP examination. No AP examination is accepted for fulfillment of the Area A3 (critical thinking) requirement.

AP Credit for IGETC (UC Campuses only)

A score of 3, 4, or 5 is required to grant credit for IGETC certification. An acceptable score for IGETC equates to either 3-semester or 4-quarter units for certification purposes. Each AP exam listed below may be applied to one IGETC area as satisfying one course requirement, with the exception of Language other Than English (LOTE). Students who have earned credit from an AP exam should not take a comparable college course because transfer credit will not be granted for both. If two areas are identified for an AP exam, either area may be used to regardless of where the certifying CCC’s discipline is located.

- Students earning scores of 3, 4, or 5 in the physical and biological science AP examinations earn credit toward IGETC Area 5 and meet the IGETC laboratory activity requirement. AP exams in Biology, Chemistry or Physics B allow CCC campuses to apply 4 semester or 5 quarter units to IGETC certification. For Environmental Science, Physics C: Mechanics and Physics C: Electricity/Magnetism, 3 semester or 4 quarter units are applied for IGETC certification. Therefore, students who complete these exams will be required to complete at least 4 semester or 5 quarter units to satisfy the minimum required units for Area 5.
- There is no equivalent AP exam for Area 1B- Critical Thinking/Composition requirement and Area 1C – Oral Communication (CSU requirement only).
- Actual AP transfer credit awarded for admission, major or baccalaureate degree requirements is determined by the individual CSU and UC campus. Students should check with the transfer campus of their choice for its policies on awarding unit credit for AP exams.

*Does not fulfill the California State and Local Government content for the CSU American Institutions requirement.*

**Note:** With the exception of IGETC, no lab credit granted for completion of AP examinations in natural science.
The four-year institutions in California fall generally into three categories:

1. The California State University System (CSU):
   - CSU Bakersfield, CSU Channel Islands, CSU Chico, CSU Dominguez Hills, CSU Fresno, CSU Fullerton, CSU East Bay, Humboldt State University, CSU Long Beach, CSU Los Angeles, CSU Maritime Academy, CSU Monterey Bay, CSU Northridge, California State Polytechnic University, Pomona, CSU Sacramento, CSU San Bernardino, CSU San Marcos, San Diego State University, San Francisco State University, San Jose State University, California Polytechnic State University, San Luis Obispo, Sonoma State University, and CSU Stanislaus. Each CSU campus accepts certification of breadth requirements completed at Merced College.

2. The University of California (UC):
   - UC Berkeley, UC Davis, UC Irvine, UC Los Angeles, UC Merced, UC Riverside, UC San Diego, UC San Francisco (medical school), UC Santa Barbara, and UC Santa Cruz. UC campuses support a “transfer core curriculum”; however, each UC campus may list particular breadth and major requirements.

3. The Independent or Private Colleges and Universities:
   - Some examples of the over 100 in California include Chapman College, Stanford University, University of the Pacific, Fresno Pacific, and the University of Southern California. Each private college or university has its own unique requirements.

**California State University (CSU)**

**Basic Information**

Merced College courses numbered 1 - 49 have been designated baccalaureate level courses transferable to the CSU system. These courses will be accepted by any campus of the California State University system for credit toward its baccalaureate degrees.

In preparing for transfer to a CSU campus, you should follow two concurrent pathways to complete required course work:

1. the CSU General Education Breadth courses listed on the following page; and
2. articulated lower division major preparation courses as designated by the particular CSU campus to which you plan to transfer. A Merced College counselor can assist you with course selection.

**CSU Transfer Admission Requirements**

You can qualify for admission to the CSU system as a transfer student if you have a grade point average of 2.0 (“C”) or better in all transferable units attempted, are in good standing at the last college or university attended, and meet one of the following standards:

- you were eligible as a freshman, or
- you were eligible as a freshman except for the college preparatory subjects in English and mathematics and have satisfied the subject deficiencies, or you were not eligible as a freshman and have completed at least 60 transferable semester units and have satisfied any deficiencies in college preparatory English and mathematics. If you are a non-resident, you must have a 2.4 grade point average or better.

**University of California System (UC)**

The ten University of California campuses welcome community college transfer students. UC campuses support a “transfer core curriculum”; however, each of the ten campuses and the individual majors has unique requirements. Students planning to transfer to a UC campus should see a Merced College counselor as soon as possible in order to plan an appropriate program of study and work closely with the UC representative in the Career/Transfer Center.

**Private Colleges and Universities**

There are approximately 112 independent or private schools in the State of California not supported by state tax revenues. They vary greatly in programs offered, size, and number of transfer students. Each school acts autonomously, evaluating course work on an individual basis. To obtain specific transfer information, contact the admissions office at the school to which you wish to transfer. A Merced College counselor can help you plan your transfer program.
CSU TRANSFER BREADTH REQUIREMENTS --
2008-2009
(EFFECTIVE FALL 2007)

AREA A: Communication in the English Language and Critical Thinking
A minimum of 9 semester or 12-15 quarter units are required with one course from each of the following three areas:

A1 Oral Communication
COMM-01*, 01H*, 04, 05

A2 Written Communication
ENGL-01A

A3 Critical Thinking
ENGL/PHIL-13*, ENGL/PHIL-13H*, PHIL-10, 12, PHIL/ENGL-13*, PHIL/ENGL-13H*

AREA B: Physical Universe and Its Life Forms
A minimum of 9 semester or 12-15 quarter units are required with one course each from areas B1, B2, and B4. At least one of the courses must be a lab course from either area B1 or B2. (Lab courses are underlined):

B1 Physical Science
ARCH-01
ASTR-01, 01L
CHEM-02A, 02B, 04A, 04B
GEOG-01, 01L
GEOL-01, 02
PHSC-01, 01L
PHYS-02A, 02B, 04A, 04B, 04C, 10
SOL-10

B2 Life Science
ANTH-01
BIOL-01*, 04*, 04H*, 06, 08, 09, 12, 13, 16, 18, 20, 25
PLSC-10

B3 Laboratory Activity
A minimum of one lab course (underlined) from area B1 or B2

B4 Mathematics/Quantitative Reasoning
MATH-02*, 04A, 04B, 04C, 05A, 05B, 06, 08, 10, 15, 20A, 20B, 21, 25, 26*
PSYC-05

AREA C: Arts, Literature, Philosophy and Foreign Language
A minimum of 9 semester or 12-15 quarter units are required with at least one course from each area:

C1 Arts (Art, Dance, Music, Theater)
ART-01, 02, 06, 12A, 15, 24A
DRAM-01, DRAM/ENGL-03*
ENGL/DRAM-03*, ENGL-14
MUS-01, 11, 12, 13, 14

C2 Humanities (Literature, Philosophy, and Foreign Language)
DRAM-01
ENGL-01B, 04A, 04B, 05, 06A, 06B, 07, 10, 11
ENGL/HUM-18*
FREN-01, 02, 03, 04+
GERM-01, 02, 03, 04+
HIST-04A, 04B, 08A, 08B, 09A, 09B, HIST-17A*, HIST-17AH*, HIST-17B*, HIST-17BH*
HMNG-01, 02
HUM-01*, 01H*, 02*, 02H*, 15, 21, HUM/ENGL-18*
JPNS-01A, 01B, 02
PHIL-01*, 01H*, 03, 04, 05, 15
SPAN-01*, 02*, 03, 04+, 10*, 11*

AREA D: Social Political and Economic Institutions and Behavior; Historical Background
A minimum of 9 semester or 12-15 quarter units are required from at least three disciplines:

D0 Sociology and Criminology
CRIM-01
SOC-01

D1 Anthropology and Archaeology
ANTH-02, 10

D2 Economics
AGBS-11
ECON-01A, 01B

D3 Ethnic Studies
HIST-08A, 21, 22, 23, 24
HUM-15

D5 Geography
GEOG-02

D6 History
HIST-04A, 04B, 08A, 08B, 17A*, 17AH*, 17B*, 17BH*, 21, 22, 23, 24, 29

D7 Interdisciplinary Social or Behavioral Science
AGRI-10
COMM-30
SCSC-01

D8 Political Science, Government, and Legal Institutions
POSC-01, 02

D9 Psychology
PSYC-01A*, 01AH*, 15, 20, 22, 23, 25, 35, 36

AREA E: Lifelong Understanding and Self-Development
A minimum of 3 semester or 4-5 quarter units are required from the following:

CLDV-02, CLDV/PSYC-09*
GUID-30
HLTH-10, 16
NUTR-10
PSYC/CLDV-09*, PSYC-22, 23, 35

AREA F: Merced College Courses Designated to Meet CSU History and Government Requirements
All state universities have a U.S. History and a Federal, State, and Local Government requirement. Six units may be counted toward Area D or C2, in addition to Area F. See your counselor. Major requirements at the CSU campus of your choice may affect the ability to double count. You may complete either sequence A or B to meet the CSU History and Government (F1 and F2) requirements:

Sequence A:

 HIST-17A or HIST-17AH

 AND

 HIST-17B or HIST-17BH

Sequence B:

 HIST-17A or HIST-17AH or HIST-17B or HIST-17BH or HIST-22

 AND

 POSC-01

*Transfer credit may be limited – see a counselor.

Note: The Merced College Area D requirement is three disciplines, not two.

May 28, 2008
Completion of the IGETC permits a student to transfer from Merced College to a campus in either the California State University or the University of California system without the need after transfer to take additional, lower division, general education courses to satisfy the campus GE requirements. IGETC is not recommended for majors that require extensive lower division preparation. Consult with your counselor. Students may also fulfill the general education requirements by completing the specific lower division breadth and general education requirements of the school or college of the campus to which the student intends to transfer. Students intending to transfer to the California State University System may also complete the requirement by fulfilling the CSU’s general education requirement.

Both the California State University and the University of California have a specific American Institutions requirement that is separate from their general education requirements. Completion of the IGETC will not satisfy the American Institutions requirement. Courses used to satisfy the American Institutions requirement may not be counted to satisfy either a Humanities or a Social and Behavioral Science requirement.

*Credit for lab courses only if lecture course is completed.
*Transfer Credit may be limited by UC or CSU or both. Please consult a counselor.

May 28, 2008
This agreement lists courses transferable for unit credit at all UC campuses for 2007-08. UC Transferable Course Agreements identify the general transferability of community college courses to the University of California. Annually, the UC Office of the President reviews and determines the courses approved for the TCA. The following 2007-08 list is valid until the 2008-09 update. Check ASSIST (www.assist.org) for the UC TCA 2008-09 update after September 2008. Meet with your counselor to determine more specific transfer credit information.

Variable Topics Courses

These courses are also called "Independent Studies", "Special Studies", "Special Topics", "Internships", etc. Credit for variable topics courses is given only after a review of the scope and content of the course by the enrolling UC campus. This usually occurs after transfer and may require recommendations from faculty. UC does not grant credit for variable topics courses in Journalism, Photography, Health, Business Administration, Architecture, Administration of Justice (Criminology) or Library Departments because of credit restrictions in these areas.

Physical Education Activity Courses

UC grants a maximum of four semester units of credit for appropriate Physical Education Activity courses (also called "Athletics", "Human Resources", "Adaptive P.E.", etc.). These courses are not listed on the TCA. Physical Education Theory courses or courses that do not fall into either the Theory or Activity category are not included in the four semester credit limit prescribed for P.E. activity courses and continue to be listed on the TCA if deemed transferable. P.E. Courses that are primarily vocational in nature, such as Aerobic Instructor Training or Fire Academy Protection Preparation, are not transferable.
Merced College participates in the California Articulation Number System (CAN). CAN is a cross-reference course identification number for many transferable, lower-division major preparation courses commonly taught on public university and college campuses.

The CAN system assures course articulation -- courses considered to be comparable, not necessarily identical, and acceptable in lieu of each other. The system allows each campus to retain its own course number, prefix, and title. Students who take CAN courses on one participating campus will have the course accepted "in lieu of" the comparable course on another participating course.

(Merced College) SOC-01 equals CAN SOC 2, which equals (CSU, Stanislaus) SOCL 1010

Merced College’s list of currently approved CAN-qualified courses appears below. More information about CAN is available in the various counseling offices, Career/Transfer Center, and the Articulation Office. The following is a list of Merced College’s CAN-qualified courses approved as of April 5, 2007.
