Frequently Asked Questions

Q. What are noncredit classes?
A. Noncredit classes are free classes offered by the Adult Education & Noncredit Office at Merced College. Students only have to provide for the cost of materials and parking fees where applicable.

Noncredit courses may include courses in the following areas: English as a Second Language, Immigrant Education, Elementary and Secondary Basic Skills, Health and Safety Education, Education Programs for Persons with Substantial Disabilities, Parenting Education, Family and Consumer Sciences, Education Programs for Older Adults, Short-term Vocational Programs with High Employment Potential, and Workforce Preparation.

Q. How do noncredit classes differ from Community Services classes?
A. Noncredit classes differ from Community Services not-for-credit classes in that not-for-credit classes are supported entirely by user fees. Noncredit classes do not have registration fees making these classes free.

Q. Who can take a noncredit class?
A. Noncredit classes are open to individuals in the community who are 18 years or older. Certain noncredit classes may have a limitation on enrollment. Persons interested in those classes must meet the criteria to enroll. Please call our office if you have any questions.

Q. How do I register for noncredit classes?
A. Registration takes place on your first day of class. You will fill out a Noncredit Application for Admissions form if this is the first time you are taking a class at Merced College. In addition, you will fill out a Noncredit Class Registration card for each noncredit class that you wish to take.

Please call our office for classes listed as needing to preregister.
Call us at (209) 381-6540 to preregister.

Q. Where do I get the forms to register for class?
A. Instructors will have the forms for you in class. Make certain that you register during your first class meeting.

Q. What if I don’t have or have forgotten my social security number?
A. We don’t require that you provide a social security number. However, you must fill out the rest of the form completely, provide a birth date, and sign your form. Failure to fill out the rest of the form completely will result in the inability to process your application for admission.

Q. How much does it cost to take the class?
A. Noncredit classes do not charge registration fees. However, like other college classes, you may be responsible for the cost of materials and parking permits. Some classes will list fees for books and instructional supplies.
Frequently Asked Questions

Q. What happens if I cannot make it to the first day of class?
A. Most noncredit classes are open enrollment. If you miss the first class meeting, be sure to attend the next one. However, we strongly recommend that you attend the first class meeting as classes may be cancelled due to insufficient enrollment.

Q. Do I need to pay for parking?
A. Parking permits are required for classes held at the main Merced College campus and the Los Banos campus. Daily permits can be purchased from parking permit dispensers located throughout campus for $1. Semester parking permits are sold exclusively online for $20 each ($10 for summer). For more information, visit http://www.mccd.edu/resources/police/parking.html.

Q. How do I know what classes are being offered?
A. This Schedule of Classes provides information of our course days/times. It is also available online on our website:
http://www.mccd.edu/offices/noncredit/schedule.html

Q. Can high school students take noncredit classes?
A. High school students age 16 and older must be granted written permission from the Merced College Dean of Noncredit Instruction or their designee prior to enrolling and attending classes. A completed K-12 form must be submitted to the Dean of Noncredit Instruction and approved before a high school student may enroll and attend any noncredit course. K-12 Admissions forms can be obtained in the Merced College Admissions and Records Office. Students must meet all limitations on enrollment and can only attend classes that do not conflict with their K-12 schedules.

Q. Will I get a letter grade?
A. No, noncredit classes do not offer letter grades. However, some noncredit courses do offer certificates of completion or certificates of competency in specific programs. Noncredit classes do not offer units or substitute for credit classes offered by Merced College.

Q. Can I repeat the same noncredit class?
A. Yes. You may repeat a noncredit class as many times as you need.

Q. Whom can I contact for more information?
