BID/ RFP TITLE: ROOF COATING

ADDENDUM 1

This addendum contains clarification and additional information, which modifies the conditions of the above referenced BID/RFP as follows:

Item #1 – Section 01110 Summary of Work, 1.3, E, Add to the scope of work; All roof sections must be pressure washed and allowed a minimum of 24 hours drying time prior to the base coat application. It will be the contractor’s responsibility to coordinate and care for all water run-off from this process.

Item #2 – Section 01110 Summary of Work, 1.3, E, Add to the scope of work, At all roof sections clean and caulk all faster heads at the coping metal, roof curbs, reglet, surface mount, coping laps, etc. prior to the base coat application.

Item #3 – Section 01110 Summary of Work, 1.3, E, Add to the scope of work, At the Theater roof the gutter restoration is to be included in the scope of work, clean and reseal all gutter laps. Install the roof coating system as specified in the gutter system as well as the roofing system.

Item #4 – Bid will be awarded based on the lowest cost, including all three Add Alternates. The District reserves the right to remove any of the Add Alternates from the award, based on cost and subject to the needs of the District.

Item #5 – Contractor is responsible to ensure that there are no obstructions or water run off on walkways frequented by students during the duration of the project.

All other bidding contract and construction drawing documents, stipulations, dated and times remain unchanged, in full effect and by reference become a part of this addendum.
SPECIAL NOTE:
It is the responsibility of each Bidder to acknowledge all addenda by signing below and submitting a copy of each addendum with their respective bid.

I HAVE READ AND UNDERSTAND THESE MODIFICATIONS TO THE ABOVE BID:
