

# Org Chart in eLumen

- currently based on information pulled from Colleague

The screenshot shows the top navigation bar of the eLumen system. The user profile at the top left indicates the user is Edward Modafferi, acting as a Data Steward at Merced College. The navigation bar includes links for Inbox, Account Settings, Support, and Log Out. Below this, a secondary menu contains icons and labels for Strategic Planning, SLOs & Assessments, Curriculum, Org Management (which is highlighted), Reports, and System Settings. At the bottom of this section, there are tabs for Institutional Profile, Areas & Cohorts, Courses & Contexts Groups, and Student Groups. An 'Add Area' button is located on the right side.
