**Wednesday, August 18, 2021 @ 3:30p – 6p in AHC 148**

**OR**

**Thursday, August 19, 2021 @ 3:30p – 6p in AHC 148**

**You must attend ONE orientation if you have registered for the RADT 50 class, NO exceptions**

**Students are advised to register early;  
space is limited to 16 students per section.  
Unfortunately, we do NOT have a waitlist.**

# RADT-50 Registration Information

(Career Exploration in Medical Imaging)

1. Register for RADT-50. Students are advised to register early.  
**Unfortunately, we do NOT have a waitlist.**
2. Obtain a current TB screening test (within last 6 months) or chest x-ray report.
3. **Purchase** the RADT-50 Monitoring Badge AND Horizontal ID Badge Holder at the Merced College Bookstore prior to the orientation. You must bring these two items to the Mandatory orientation.
4. Attend a mandatory orientation and bring the following items with you:
  - **2 copies** of TB Screening test results (in process documentation is NOT acceptable) or chest x-ray report.
  - RADT-50 Monitoring Badge
  - Horizontal ID Badge Holder

**\*Clinical placement will be assigned during the mandatory orientation\***

## VERY IMPORTANT:

**Students that do not bring the paperwork, RADT-50 Monitoring Badge and Horizontal ID Badge Holder listed above must attend another orientation.**

New and returning students will be required to apply for college admission and complete appropriate registration procedures and obtain a Student I.D. number.
