Select, "Find A Class" in the top-right corner.

The BLS for Healthcare Providers CPR/AED Course trains participants to promptly recognize several life-threatening emergencies, give high-quality chest compressions, deliver appropriate ventilations and provide early use of an AED (Automated External Defibrillator). In the Instructor-led course, student participate in simulated clinical scenarios and learning stations. Students work with an AHA BLS certified Instructor to complete BLS skills practice and skills testing. Students also complete a written exam. This provider course requires approximately 4 hours to complete, including skills practice and skills testing.
