PUBLIC MEETING AGENDAS AND MINUTES POSTED IN NEW FORMAT

Members of the public now have easy access to documents related to public meetings of the governing Merced Community College District Board of Trustees with a new electronic format.

Merced College has adopted eGovernance, an online, digital format that will replace the old and costly method of printing, compiling, binding, and distributing paper agendas. While digital copies of Board agenda packets were always available for public review through the College's website, the former PDF version has now been replaced with a more robust and user-friendly format.

Beginning with the November 10, 2015, Board meeting, the new governing Board meeting content can be accessed at: <http://www.boarddocs.com/ca/mccd/Board.nsf/Public>. Meeting agendas, packets, and minutes for the current year and several previous years are published here for public review. Hard copies of minutes for meetings prior to the years displayed may be viewed at the circulation desk in the Learning Resources Center.

For more information on how to access the College's Board of Trustee documents and other public records, contact Stacey Martinez at 209.384.6100 or via email at martinez.s@mccd.edu.
