Academic Renewal allows up to 24 units of previously recorded substandard academic performance (grades of "D" or "F") to be disregarded in the computation of grade point averages. Academic Renewal **DOES NOT REMOVE COURSES** from a student's permanent academic record. REQUIREMENTS (Title V, Sections 55764-55765). Your response will be emailed to your Merced College email address listed above.

Courses qualify for Academic Renewal if:

1. A substandard grade ("D" or "F") was earned in the course;
2. The maximum of 24 units
3. of coursework to which Academic Renewal can be applied will not be exceeded.
4. A minimum of 12 units must have been completed with a minimum GPA of 2.00 since the semester/term in which each substandard grade listed below was recorded; (this GPA calculation includes all courses which are normally included in the student's overall GPA.)
5. A minimum of one regular semester must have elapsed since each substandard grade listed below was posted.
