BASIC SKILLS

Adult Literacy Level 2 (ENG-123)

Students will read level-appropriate text (400-499 Lexile) with accuracy, at an appropriate fluency rate; write opinion pieces or simple informative text; become familiar with the use of print and digital search tools; and be introduced to guided research.

95169 W 01:00PM–02:00PM Melo, J.
Live Stream Online / Lecture Hrs. Online

Adult Literacy Level 3 (ENG-124)

Students will read level-appropriate text (500-690 Lexile) with accuracy, at an appropriate fluency rate; write guided assignments based on prompts that attempt to organize, compose, revise, and edit; use print and digital search tools to locate information relevant to a topic; and participate in guided research at the appropriate level.

95170 W 01:00PM–02:00PM Melo, J.
Live Stream Online / Lecture Hrs. Online

Adult Literacy Level 4 (ENG-125)

Students will read level-appropriate text (700-1090 Lexile) with accuracy, at an appropriate fluency rate; write opinion pieces, supporting a logically ordered point of view with facts and reasons based upon source material; use print and digital search tools to locate information relevant to a topic to broaden an understanding of the topic; and participate in guided research at the appropriate level.

95171 W 01:00PM–02:00PM Melo, J.
Live Stream Online / Lecture Hrs. Online

College Prep Math I: Operations of Whole Numbers (MAT-101)

This is an introductory course of the whole number system, including counting, notation, and the number line. Particular emphasis is placed on the basic computational skills, addition, subtraction, multiplication, and division.

95062 MW 11:00AM–12:00PM Bell, S.
Live Stream Online

College Prep Math II: Applications of Whole Numbers (MAT-102)

This is an introductory course of the whole number system, with an emphasis on application problem solving. Particular emphasis is placed on the area, volume, and perimeter of geometric figures.

95063 MW 11:00AM–12:00PM Bell, S.
Live Stream Online

College Prep Math III: Operations on Fractions (MAT-103)

This course begins with a short review of the whole number system, exponents, and the order of operations. The course covers fractions, and the four basic operations using them: addition, subtraction, division, and multiplication. Special emphasis will be placed on thought problems, including life skills. Conclusion with intro to ratios, rates, and proportions.

95064 MW 11:00AM–12:00PM Bell, S.
Live Stream Online

College Prep Math IV: Operations on Decimals (MAT-104)

This course begins with a short review of fractions. The course covers the meaning of decimals, and the four basic operations using them: addition, subtraction, division, and multiplication. Special emphasis will be placed on thought problems, including life skills. The course will conclude with an introduction to unit conversions, and basic geometry.

95065 MW 11:00AM–12:00PM Bell, S.
Live Stream Online

High School Completion (GED-101)

This 144-324 hours course is designed to build the basic academic skills of adult learners in reading comprehension, language and evidence-based writing, mathematical reasoning, life, physical, and earth sciences, and social science. Emphasis on analytical reading skills, problem solving, and test preparation.

The content of this course is reflective all new modifications to the GED exam. Subject matter included are the areas covered by the GED exam such as science, social studies, literature, math and writing.

Reading and Computers (EDU-110)

This course is best suited for adult learners below the third grade reading ability that need individual attention, encouragement, and reinforcement while learning basic phonics, reading, spelling, and vocabulary skills. The student can learn at his/her own rate of speed with computer assisted instruction.

95016 MTWTH 09:00AM–11:30AM Vitato, J.
Business Resource Center Room-215

Reading and Computers II (EDU-111)

This course is best suited for those adult learners at third grade reading and vocabulary level up to approximately sixth grade level that require individual attention and reinforcement while reviewing basic phonics, reading, spelling, and vocabulary skills.

95017 MTWTH 09:00AM–11:30AM Vitato, J.
Business Resource Center Room-215

Skills Acquisition for Student Success & Tutorial Center (SSTC) Open Lab (EDU-112A)

Supervised learning experience for Merced College students who are enrolled in credit courses and can benefit from individualized instruction in study skills and study habits. The study skills and study habits learned depend on the needs of individual students and include communication/literacy skills, quantitative

reasoning skills, critical thinking skills, educational computer applications, knowledge of college resources, and application of composition skills across the curriculum.

There are no fees for this course and attendance is optional. The SSTC Virtual Office can be accessed through the EDU-112A noncredit Online Tutoring Canvas course shell. The free services provided through the Canvas course shell include: online tutoring by MC tutors, faculty and staff support, student success webinars, and academic support resources, including videos and tutoring materials.

Merced College Allied Health-128

OLDER ADULTS

Designed to offer lifelong education that provides opportunities for personal growth and development, community involvement, skills for mental and physical well-being and economic self-sufficiency. These courses are offered primarily for older adults in the community; however, any adult 18 or older may participate.

Registration takes place in class unless otherwise noted. No registration fees.

Mature Driver Improvement (EDU-508)*

This course is designed primarily for drivers age 55 and older. Students receive classroom instruction on driving safety, road courtesy, improving driving performance, and safe driving techniques for emergencies. This course is 8 hours in duration. Free certificate provided. Many auto insurance companies offer discounted premiums upon proof of course completion.

*These are scheduled face-to-face. If stringent restrictions do not allow us to offer them face-to-face, courses would be postponed. Please call our office at (209) 381-6540 to preregister for this course and to be informed of any postponements.

Theater Production In The Community for Older Adults (ARTS-520)

Enrollment by audition or interview with the instructor. Signature is required. This class offers the older adult community members the opportunity to perform theatrical roles and/or learn the basics of technical positions in theatrical rehearsal and public performance.

Under the guidance of the director(s), and designer(s), community members will learn the practical skills required of their positions and apply them throughout the production and performance phases of a play or musical.

Community members are encouraged to repeat the course as the play or musical selection will differ from one semester to another.

For more information and to schedule your audition or interview, please contact Professor Lauren McCue-Bryx:
lauren.mccue-bryx@mccd.edu.

VOCATIONAL

Courses leading to a vocational/career technical objective, certificate, or award related to employment. These are intense short-term vocational courses geared to update individual career skills or preparing individuals for a new career immediately upon completion.

For more information, call (209) 386-6738. Students will be responsible for supplies to complete the courses.

Intro to Technical Office Occupations (BUSN-756)*

This entry-level course is designed for the adult student who desires vocational training in the field of Technical Office Occupations.

This course will introduce students to microcomputers and the Windows software environment. Students will learn to identify the components of desktop screens and learn to execute basic computer commands. The class will also cover internet browsing, email, website navigation, and downloading files. The course is project-based to develop student entry-level skills proficiency in using Micro soft Office Word, Power Point and Excel.

Various simulations reflective of real life experiences will be a major part of the instructional units.

95910 MTWTH 08:00AM–04:00PM .
Carroll, C. / Vitato, J. 01/09/23-05/18/23
Business Resource Center Rooms 206 & 207
*This section is part of a vocational program.

Microcomputers & Business (BUSN-749)*

All students must attend the program orientation prior to registering for and attending classes.

*Please call (209) 386-6738 for orientation dates and additional program information.

This course is a project-based course designed to develop student entry-level proficiency in state-of-the-art technology to solve problems. Simulations of real life experiences will be a major part of the instructional units. This course provides college-level material.

95908 MTWTH 08:00AM–04:00PM
Carroll, C. / Vitato, J. 01/09/23-05/18/23
Business Resource Center Room-216
*This section is part of a vocational program.

Medical Assisting (MED-717)*

This course is part of a vocational program and has a waiting list for student enrollment. Students must attend program orientation prior to registering for and attending classes.

*Please call (209) 386-6738 for orientation dates and additional program information.

This entry-level course designed for the adult students who desire vocational training in the field of medical assisting. Course instruction includes an overview of the career of medical assisting, knowledge of medical law and ethics, oral and written communication skills, medical terminology, anatomy and physiology, and clinical and administrative office procedures. This course provides college-level material offered in the noncredit format.

95903 MTWTH 08:00AM–04:00PM Eighmey, P.
01/09/23-05/18/23

Business Resource Center Room-220

95904 MTH 04:15PM–08:15PM

TW 03:00PM–07:00PM Mehat, S.

01/09/23-05/18/23

Merced College Los Banos Campus A-108

Bus Driver Training & Recertification (TRNG-768)*

This course is designed for potential drivers and current drivers who need recertification hours. This 36-hour course is designed to improve the bus driver's public relations ability and to provide basic and refresher course information on vehicle checkout procedures, first aid, and emergency procedures.

This course also includes good driving fundamentals, assessing, and adjusting to road conditions, techniques for safe downhill driving, defensive driving skills, and passenger discipline. Discussion of new state laws, requirements and analysis of bus accidents is provided.

*Please call our office at (209) 381-6540 to preregister for this course.

95911 S 09:00AM–04:00PM S McCrary, E.

Merced College TBD 03/18–05/13

Students would need to attend all classes.

Truck Driving Class A CDL Permit Training (TRK-769)*

Students will learn the material necessary to successfully pass the DMV Commercial Learners Permit test, which will include the option for multiple Class A endorsements. In addition, students will gain knowledge and develop additional skills necessary to become a professional truck driver.

95940 MTWTHF 08:00AM–05:00PM Staff

FREQUENTLY ASKED QUESTIONS

Q. What are noncredit classes?

A. Noncredit classes are free classes offered by the Adult Education & Noncredit Program at Merced College. Students only have to provide for the cost of materials, such as books and material fees where applicable.

Q. Who can take a noncredit class?

A. Noncredit classes are open to individuals in the community who are 18 years or older. Certain noncredit classes may have a limitation on enrollment. Persons interested in those classes must meet the criteria to enroll. Please contact our office if you have any questions at (209) 381-6540 / noncredit@mccd.edu.

Q. How do I register for noncredit classes?

A. Registration can be done online following the application and enrollment process described on page 10. Call our office at 209-381-6540 or 209-384-6334 if you need assistance with this process to request an appointment for a Zoom session.

***Hablamos Español.**

Q. What if I don't have or have forgotten my social security number?

A. We don't require that you provide a social security number.

Q. What happens if I cannot make it to the first day of class?

A. Most noncredit classes are open enrollment. If you miss the first class meeting, be sure to attend the next one. However, we strongly recommend that you attend the first class meeting as classes may be cancelled due to insufficient enrollment.

Q. How do I know what classes are being offered?

A. This Schedule of Classes provides information of our courses that are current as of the day the schedule was printed. We continue adding courses, so please visit our website to know about them at: <http://www.mccd.edu/offices/noncredit/schedule.html>. Chat live with us at www.mccd.edu/noncredit.

Q. Will I get a letter grade?

A. No. However, some noncredit courses do offer certificates of completion or certificates of competency in specific programs.

Q. Can I repeat the same noncredit class?

A. Yes. You may repeat a noncredit class as many times as you need.

Q. Do I have to pay for parking?

A. Parking permits are required for classes held at the Main Merced College campus and the Los Banos campus. Daily permits can be purchased from parking permit dispensers located throughout campus for \$2.00. Semester parking permits are sold too for \$30.00 (Fall/Spring) and \$15.00 for Summer.

Q. Whom can I contact for more information?

- Call our office at (209) 381-6540
- Email us at noncredit@mccd.edu
- Visit our website at www.mccd.edu/noncredit
