

# Merced College

## Nurse Assistant Program

### TB Testing

Students must have a TB skin test or QuantiFERON-TB (QFT) blood test (**within six months of start of class**) or negative chest x-ray (x-rays are valid for two years) before beginning the Nurse Assistant program.

#### **Registered Merced College Students -**

If you are currently a Merced College student and have paid your student health fee, you may receive a TB test.
