## About us

Since 1976, Merced College has offered the College for Kids Program during the summer as part of our commitment to education and enrichment for the youth of our community.

We are excited to be offering a few new classes and several of your favorites! We have been working diligently to make the 2025 College for Kids Program a new adventure for our community.

We hope we can count on your support this summer to help make our longstanding program a fun and safe experience for all!

Happy browsing of our class brochure. Don't hesitate to reach out to us with any questions.

### Class Refund Policy

Community Education realizes that extenuating circumstances do arise. If you need to cancel an enrollment, please contact our office at least 7 days prior to the start date. Once an offering begins, fees become nonrefundable. Cash payments will be refunded by check and will arrive via mail. Credit card payments will be refunded as a credit back to the same card that was used. Refunds take approximately 4-6 weeks to process.

Community Education reserves the right to cancel any class. Full refunds are automatically granted if a class is canceled by our office.

College for Kids reserves the right to change a student's schedule if he/she has been enrolled in a class that is not consistent with the student's appropriate age/grade level.

All College for Kids class registrations are final, and no refunds will be awarded unless a class is canceled by Merced College.

Extenuating circumstances will be considered on a case-by-case basis by staff and the Dean.

Occasionally there may be adjustments to the schedule for a class due to college facilities usage. We will notify participants of any of these changes as quickly as possible. Thank you in advance for your understanding.

## Shhh...

Set in the busy city of Ballyhoo, exuberant street musicians dance, sing, and play bucket drums until Sheryl, the owner of the Sugar Cube Café, and her neighbors demand that City Council ban all public music. Keesha, a teenage newcomer to Ballyhoo and summer employee at the Sugar Cube supports the ban until one hot summer evening when she is enthralled by the sound of a mysterious instrument. Soon, she and her brother Landon decide to fight for the musicians - and even become musicians themselves.

# FAQ

## **What is College for Kids?**

We provide safe activities for summer fun and learning. We have classes and camps to accommodate most ages. Our classes are designed to stimulate curiosity, reinforce basic skills, help kids discover new subjects, and, most of all, help your child make lasting memories!

## **Where will the classes be held?**

Most College for Kids classes will be held on the main college campus at 3600 M Street Merced, CA 95340.

## **What are the age ranges to register for classes?**

Enrichment classes are available to students going into 2nd grade through 8th grade. Ages for aquatics programs and sports camps vary. Exact ages/grade levels can be found in class descriptions throughout the brochure.

## **What does registration cover?**

The registration covers all class/camp enrollment fees and supplies unless otherwise specified. It does not cover the cost of snacks, meals, or other related expenses.

## **What if my child becomes sick?**

If your child has a temperature or is complaining of an upset stomach, earache, severe cold, undetermined rash, or other symptoms of illness, he/she will be escorted to our office and you will be contacted to pick up your child.

## **What time and where can I drop my child off and pick him/her up?**

Parent/guardian must accompany their child to the designated classroom. You may drop off your child at the CFK office up to 15 minutes prior to the start of class. Please be on time to pick up your child. Should there be any changes to your child's schedule, or any absences, please call Community Education staff at (209) 384-6224. Office staff will make a note on the instructor roster.

## **Will my child be escorted to and from class?**

All students will be escorted between classes. The exception will be aquatics students. Parents will be responsible for dropping off and picking up their child(ren) from the pool.

## **May I attend class with my child?**

We ask that you not enter the classroom while the class is in session. Our instructors and staff have passed clearance to work with children to ensure their safety. Many classes have either projects to take home or presentations that will be given on the last day. Parents will be invited to attend presentations.

## **Will parking passes be available?**

Parking passes will be available for parents/guardians of all students. Please go to the College for Kids office to receive your pass.
