Spring 2020-Fall 2022
Certified Nurse Assistant - Test Rates

Note: Following the onset of the COVID-19 pandemic, the American Red Cross ceased providing regular results. Access to results was not restored until Credentia became the new testing agency and reinstated availability. As a result, we are unable to provide accurate results for courses conducted between Spring 2020 and Fall 2022.

Additionally, no courses were held in Summer 2020, Fall 2020, or Spring 2021 due to lack of access to clinical sites during the height of the pandemic.
